

## Message from the Project Directors Kathryn Hassell, MD & Janet Thomas, MD

July 2019

Join Our List.

[Join Our List](#)

Dear Friends and Colleagues,

We would like to thank the MSRGN Genetic Summit Planning committee for all their hard work in planning all the sessions for the upcoming Summit. Registration is now open and can be found on the [MSRGN website](#). We look forward to seeing you in New Mexico in September!

## IHS Clinical Rounds: How to Interpret Genetic Test Results

Rebecca O. Littlejohn, MS, CGC will be presenting information on how to interpret genetic testing results to better understand the healthcare needs of patients on August 13th at 2 pm CT. To register for this webinar click [here](#).

## State Team Spotlight: Colorado

The Colorado State Team is working on a Virtual Education Series in conjunction with Colorado Children's Hospital. The one-hour webinars will start in August and will focus on all different aspects of newborn screening such as disease management and point of care screenings. The webinars will occur the second Tuesday of the month from 12 pm-1 pm MT and will be open to primary care providers and public health professionals.

## Facebook Live

Our next "Your Genetic Questions Answered" Facebook Live focusing on Developmental Delays and Genetic Testing with Dr. Abe Elias and Jaclyn Haven, CGC, MS from Shodair Children's Hospital in Montana will be on July 31<sup>st</sup> at noon MT. Please tune into the [MSRGN Facebook](#) to join us for this session. If you have missed any of the past Facebook Live's you can find them archived [here](#).
