MSRGN Project Directors' Message

Notice of Award

Welcome to the first month of our new grant cycle and to a new look for our monthly message!

As we announced in the [May Project Director's Message](#), Texas Health Institute received the Notice of Award for the work of MSRGN to continue! This month we are wrapping up year 3 invoices and data collection and we will be meeting with our HRSA grant officer along with the other Regional Genetics Networks and the National Coordinating Center to discuss our plans for the new cycle.

If you would like to read the grant abstract for the 2020-2024 grant cycle, you can download it [here](#).

We look forward to resuming our State Team and Genetic Ambassador calls in July!

Your Genetic Questions Answered

Have you seen all 12 Episodes?

Over the last year and a half we have interviewed subject matter experts from our region about genetics, answering some of the most frequently asked questions by families. [Watch all Twelve Episodes Here.](#)
