November 2020
MSRGN Project Directors' Message

Thankful for You

This November 2020, amidst the uncertainty of the ongoing pandemic, we are thankful for you, our colleagues, members, co-workers and friends of MSRGN.

Don't forget: November is officially Family Health History Month! Whether your winter holiday celebrations are small in-person groups or virtual meet-ups click here and here for some ways to explore your family's health history this holiday season.

Genetic Pop-Ups Application OPEN

This year all of our Rare Disease Day: **Genetic Pop-Ups** will be held virtually due to COVID-19. The application is open from now until December 15th. There is funding available for a total of
8 pop-ups (one per state). Please click below and fill out the application if you are interested in applying for a **Genetic Pop-Up** in your state.

Deadline: December 15, 2020

> **Genetic Pop-Up Application**

MSRGN November Highlights:

- MSRGN's **Time 4 Genetics** clinic referrals, from our state teams, are starting to roll in! Congratulations to New Mexico for being the first state to submit their clinic. All state teams have until November 30th to nominate one clinic that is interested in participating in our first cohort of clinics for this genetics in primary care educational series.

- Welcome to Cody Price, MSRGN and THI's new administrative assistant. Cody will be assisting with our state teams and can be reached at this email address. Please email all state team agendas and minutes to this email address going forward.
