Month 1 Newsletter

We will be presenting information in 4-month topic areas. Every 4 months there will be a new genetics topic explored. For month 1, your Practice Point Person will receive an electronic newsletter announcing the 4 month topic, sharing resources and the date of the webinar.

Month 2 Webinar

Join us for a 1-hour webinar on the genetics topic for the 4-month period. This webinar will be recorded and archived on our website if you are not able to attend live.

Month 3 Snail Mail

Check your Snail Mailbox for a package from us with hard copies of materials that goes with our topic area. (decision support tool, brochure, or poster)

Month 4 Family Centered

This month is all about the family experience with the genetics topic. We will be sharing a family story and perspective (video, article, or Q&A).
