Wyoming

# Overview of State Team Membership

- Carleigh Soule – Newborn Screening and Genetics Coordinator
- Eighmey Zeeck – Women and Infant Program Manager
- Genetics and Metabolism at Children’s Hospital Colorado
- Melody Millermon - Consumer

## Resources

- Canyon Hardesty – Wyoming Institute for Disabilities (WIND)
- Eric Moody – Wyoming Institute for Disabilities (WIND)
- Kenneth Allen – Consumer

# State Team Activity To Date

- Completed a request for proposal for genetic services at the end of October 2020.
- Colorado will be our genetic services provider in 2021.
- In partnership with the Wyoming Institute for Disabilities (WIND), completed a provider survey to assess the needs in Wyoming.

# Experiences as a State Team

- Largest lesson learned would be to start a request for proposal approximately 3 months prior to when you think you should.
