MSRGN's <u>Time 4 Genetics</u> Initiative is a primary care provider genetics education initiative. Over the next 3 years we aim to educate 40 clinics in the Mountain States Region. If your clinic is interested in this free genetics education, please contact us!

This initiative is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$600,000.00 with 0 percent financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.
