

# Rock Report: Breakout Room #3: Colorado & Texas

STOP! Reminder to BEGIN recording NOW!

**Welcome to MSRGN's Breakout room! You have arrived at the right place! Hang out for a moment until the moderator advances to the next slide.**

# Example: A Family's Genetic Journey to a Geneticist

1

Fill in each of the milestones a family might reach on the way to their goal.

2

What are the BOULDERS that might stop a family from reaching these milestones?

3

How might a family find a way over or through these BOULDERS? BLASTS & BRIDGES

Remember our picture with the family trying to access genetics...

# What state do you live in?

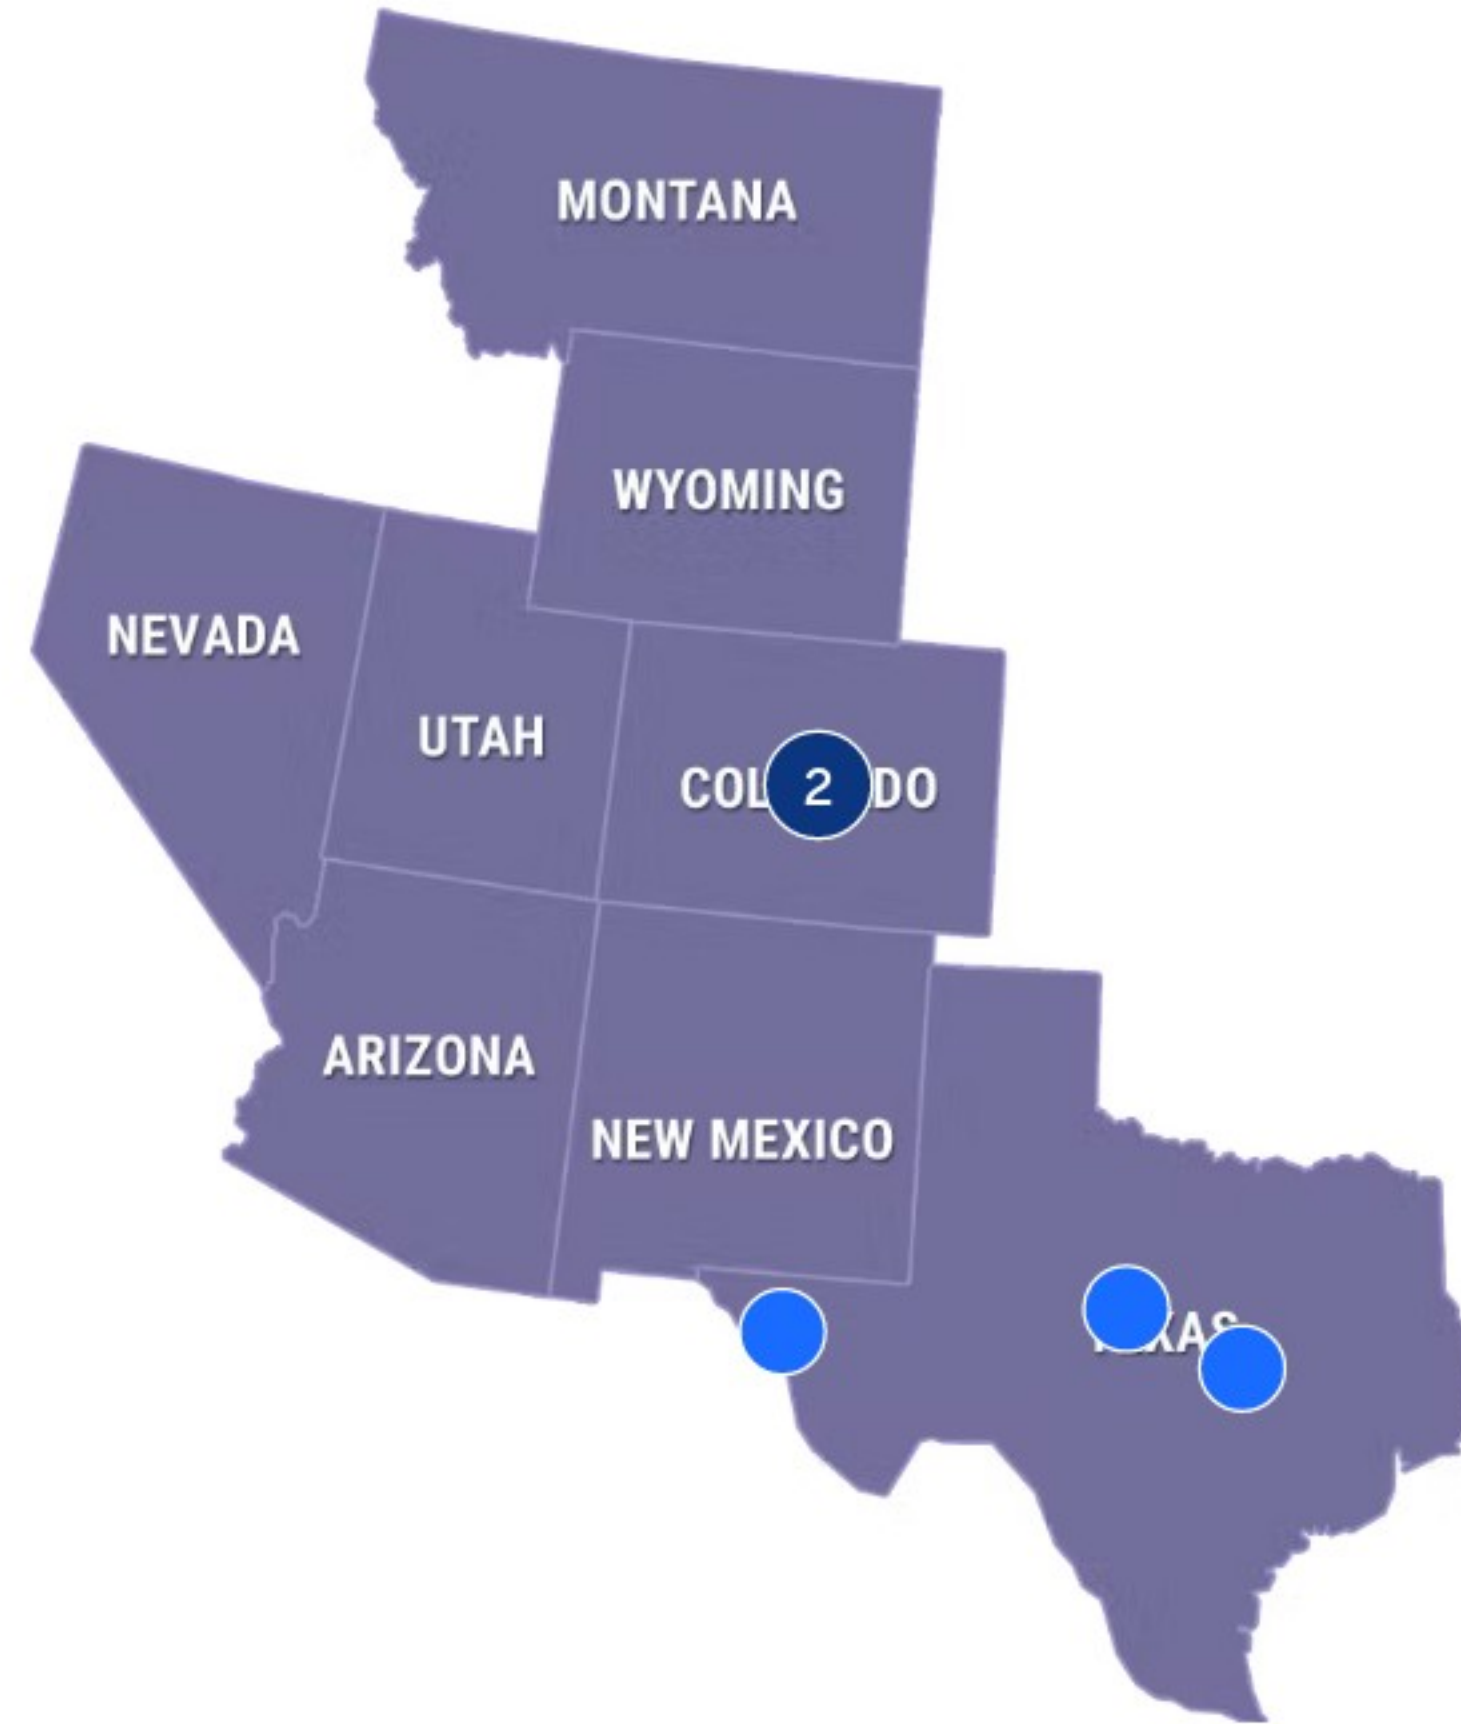

# I am a...

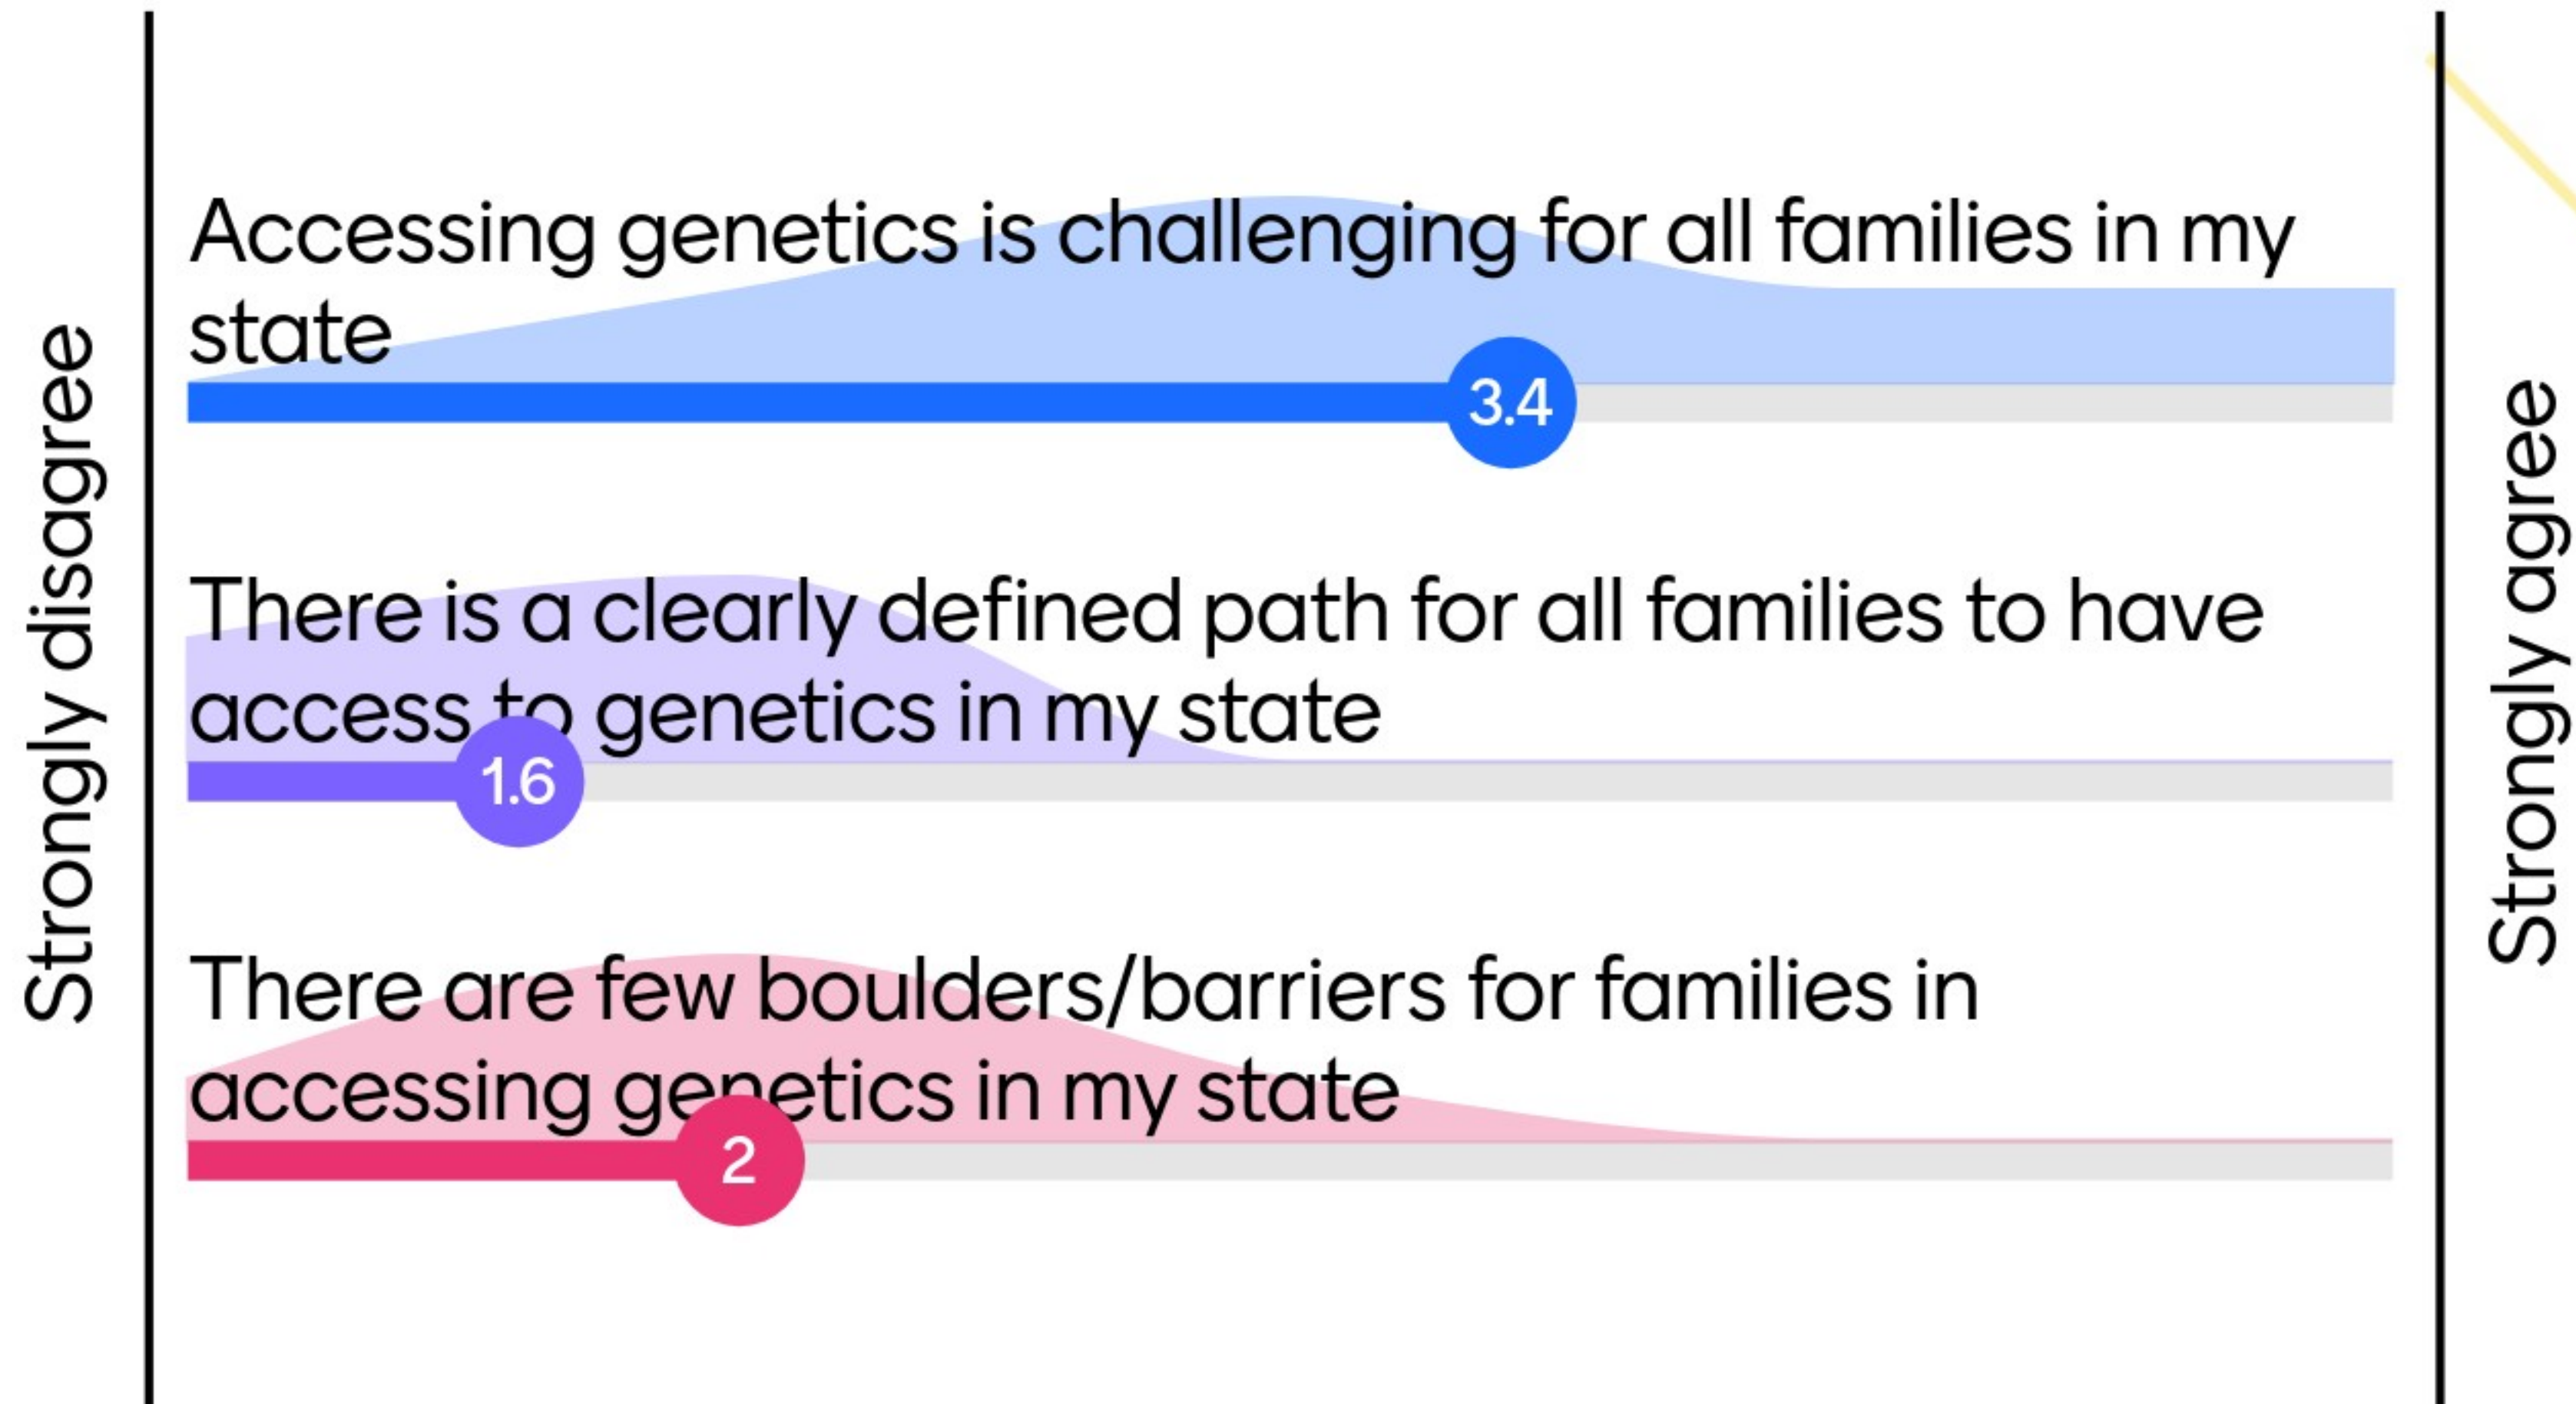

## What state do you live in?

- Arizona
- Colorado
- Montana
- Nevada
- New Mexico
- Texas
- Utah
- Wyoming
- Unknown

# Drop a pin on where you live in the Mountain States

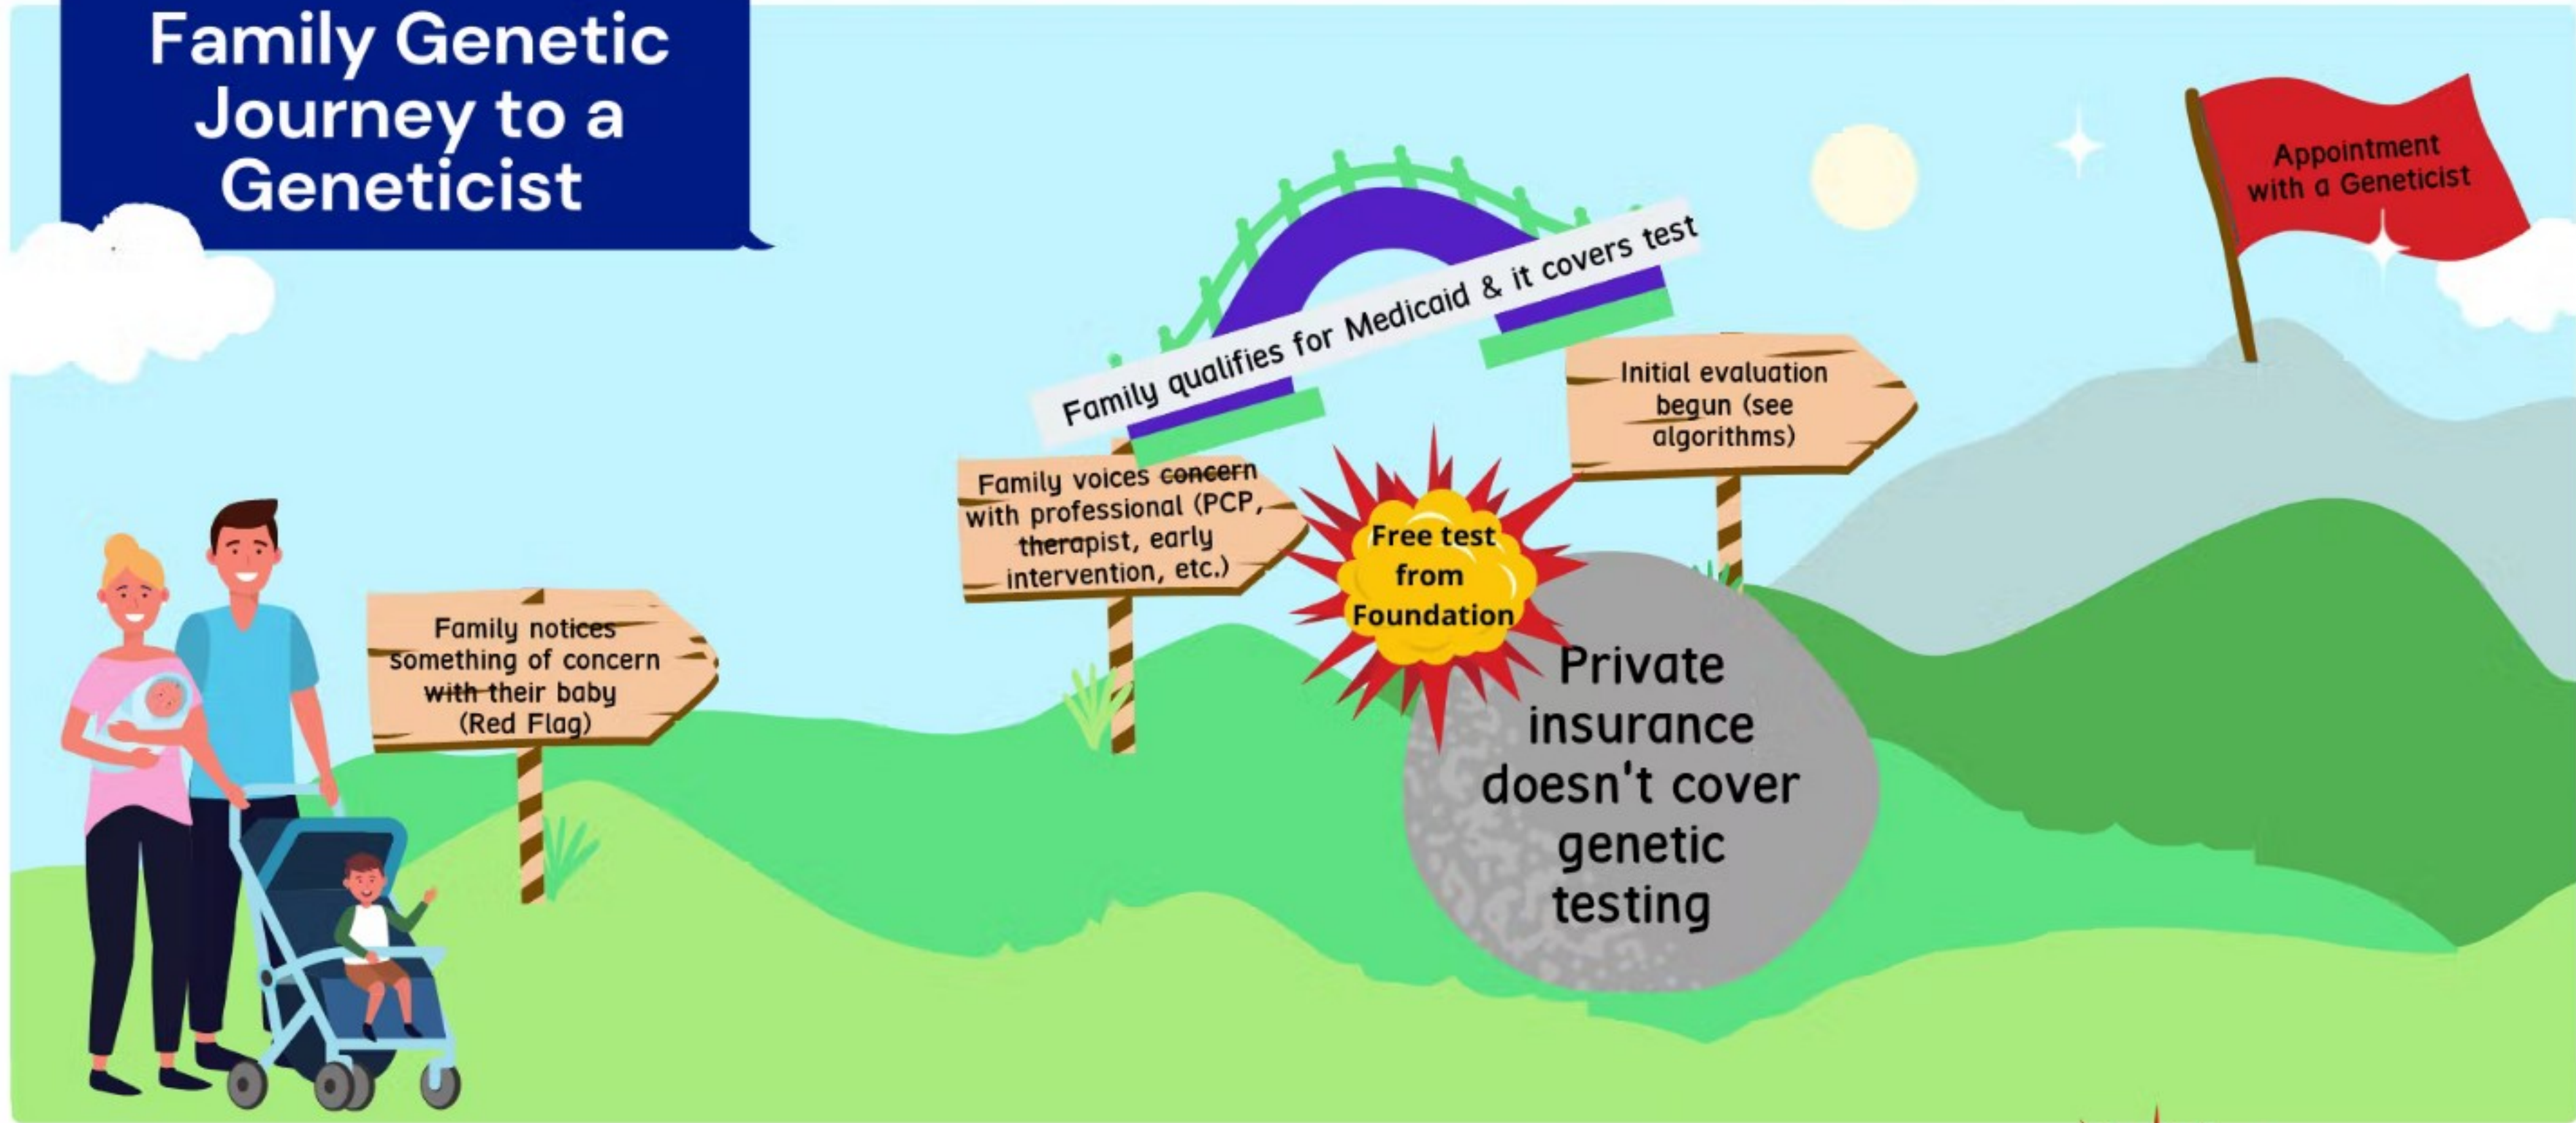

# Rate these Statements: Agree/Disagree

# Family Genetic Journey to a Geneticist

1

Fill in each of the milestones you would like to reach on the way to your goal.

2

What are the blockers that might stop you from reaching these milestones?

3

How might you find a way over or through these blockers? BLASTS & BRIDGES

Remember our picture again and the BOULDER....

# What do you think is the biggest BOULDER (barrier) for families accessing genetics in your state?

not knowledgeable or aware

knowledge of genetics

funding

provider availability

timeliness

lack of providers

knowledge of services

translation

not covered by insurance

referral process

referral

cost and funding

dr isnt proactive

wait time

# Of the words you just saw in the word cloud... what is the biggest BOULDER (barrier) for families accessing genetics in your state?

Fubding

provider availability

Provider availability

Lack of knowledge

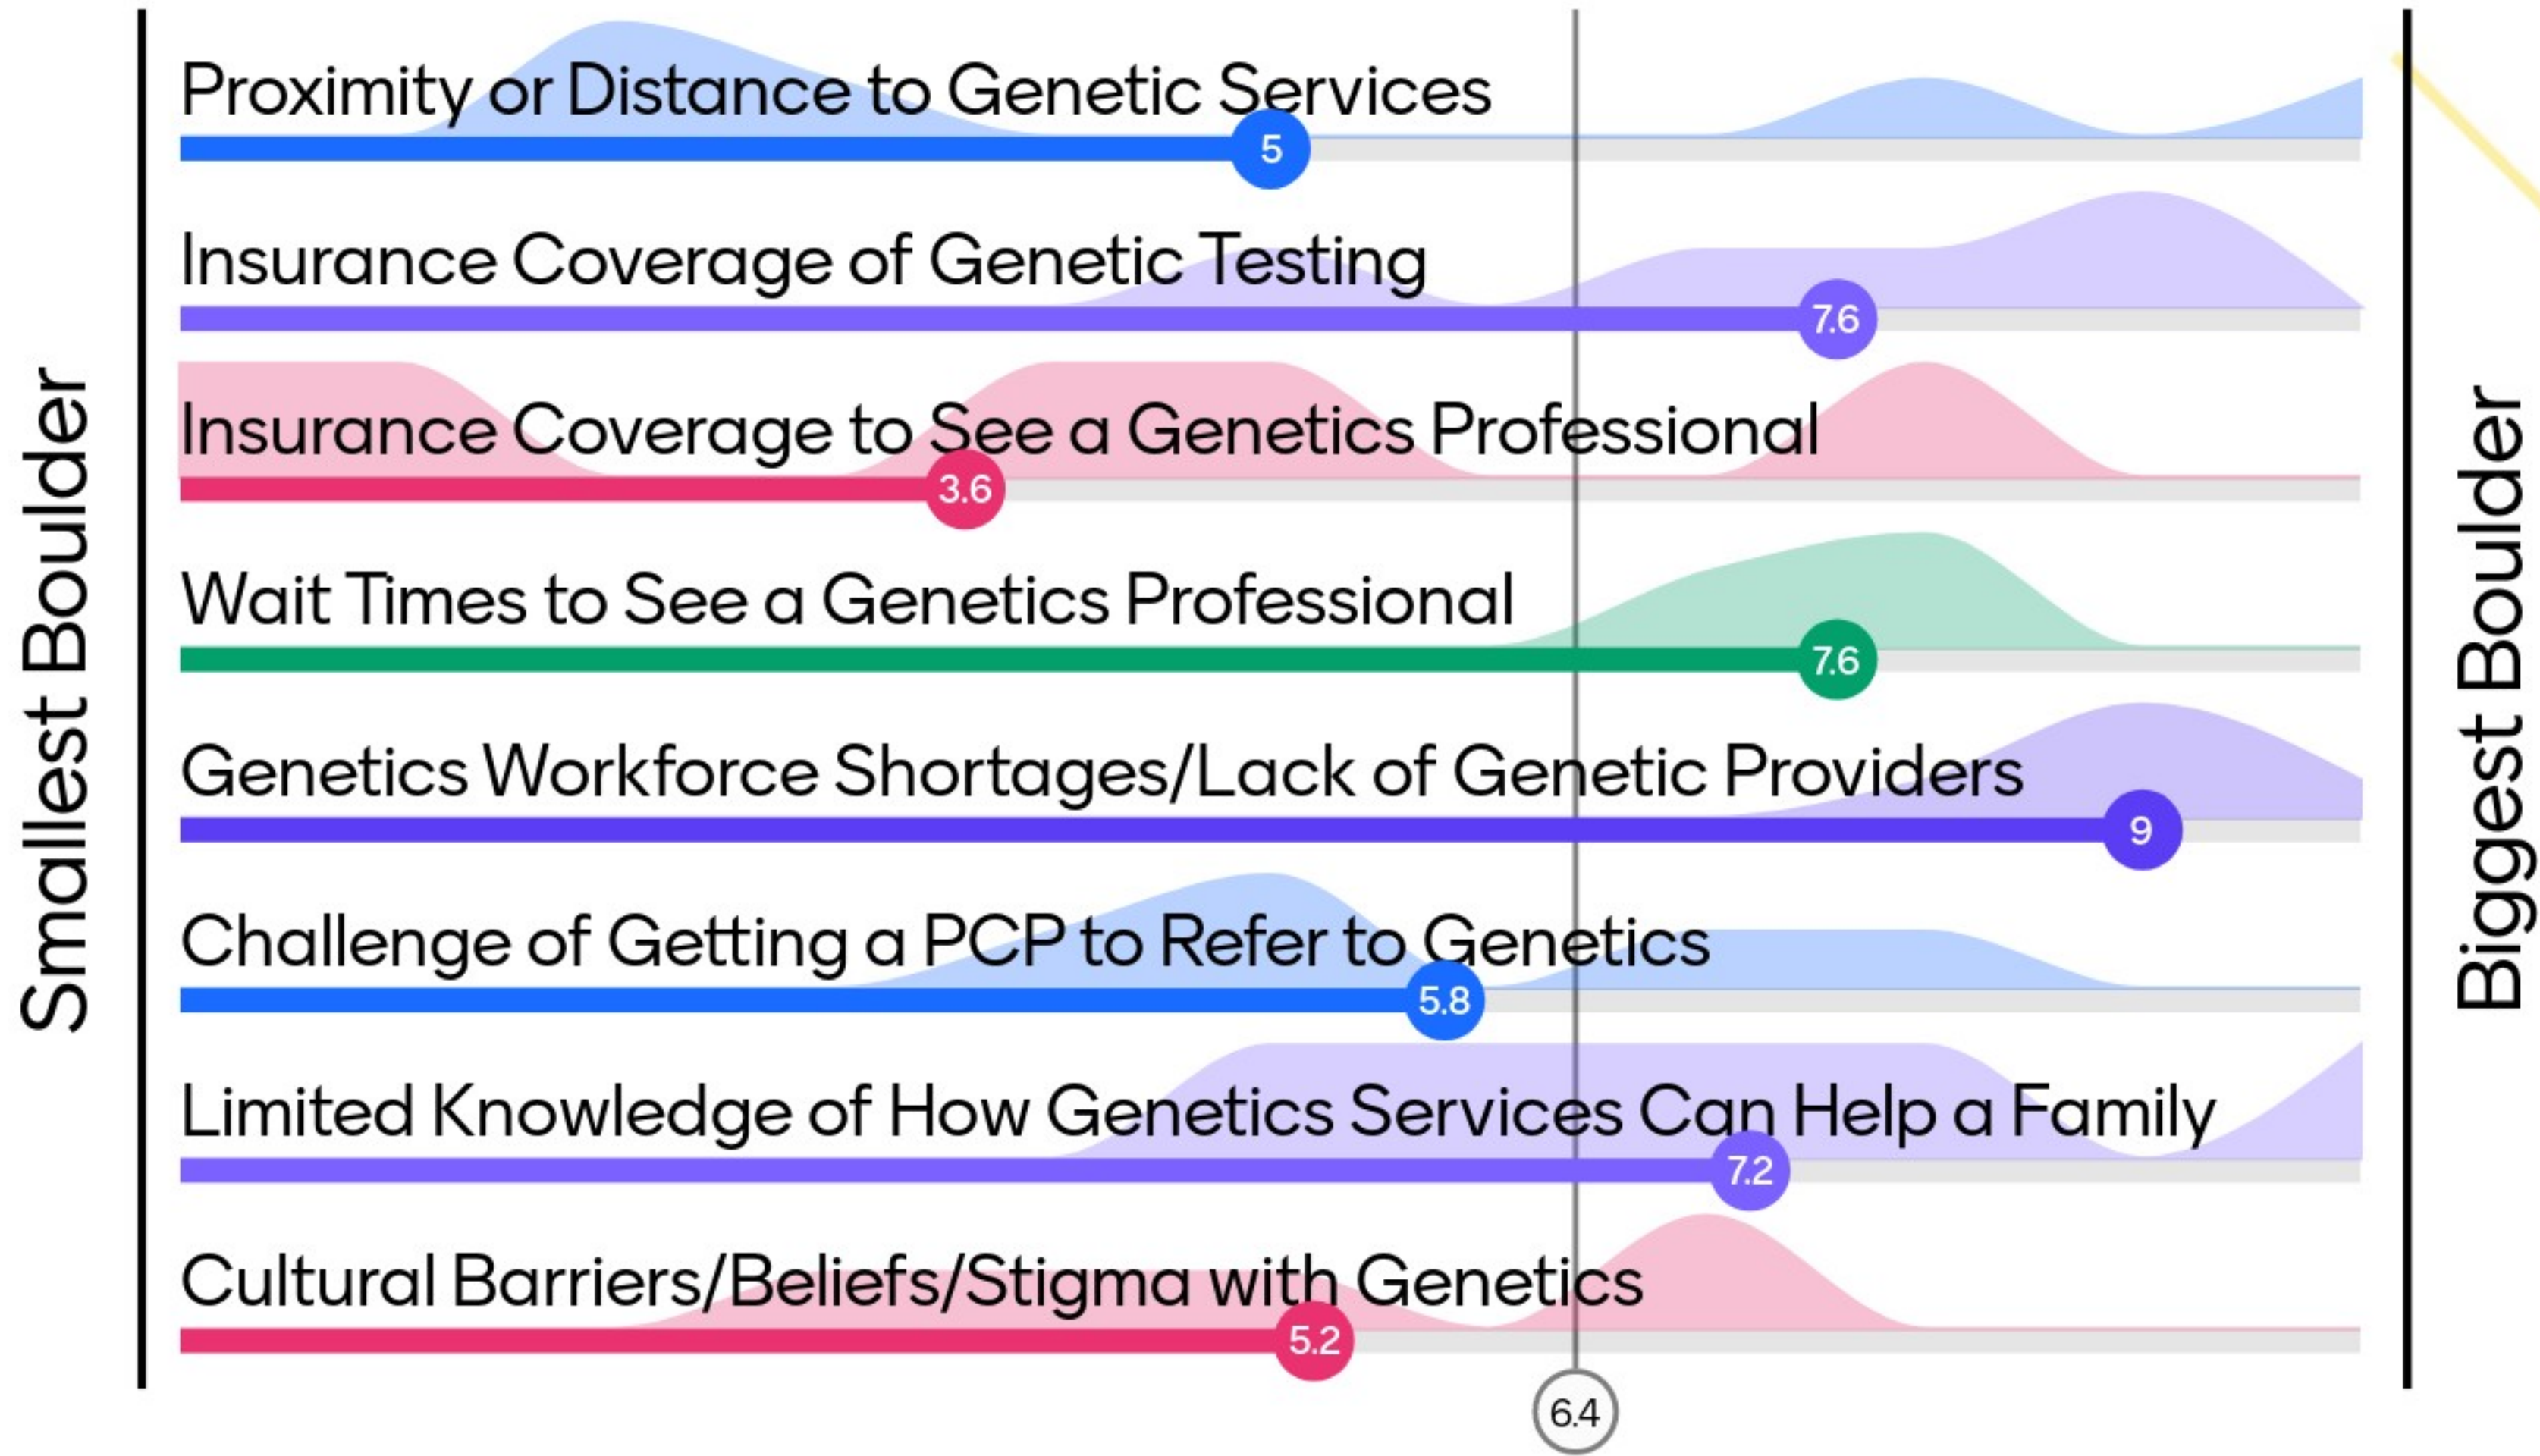

Funding

Knowledge

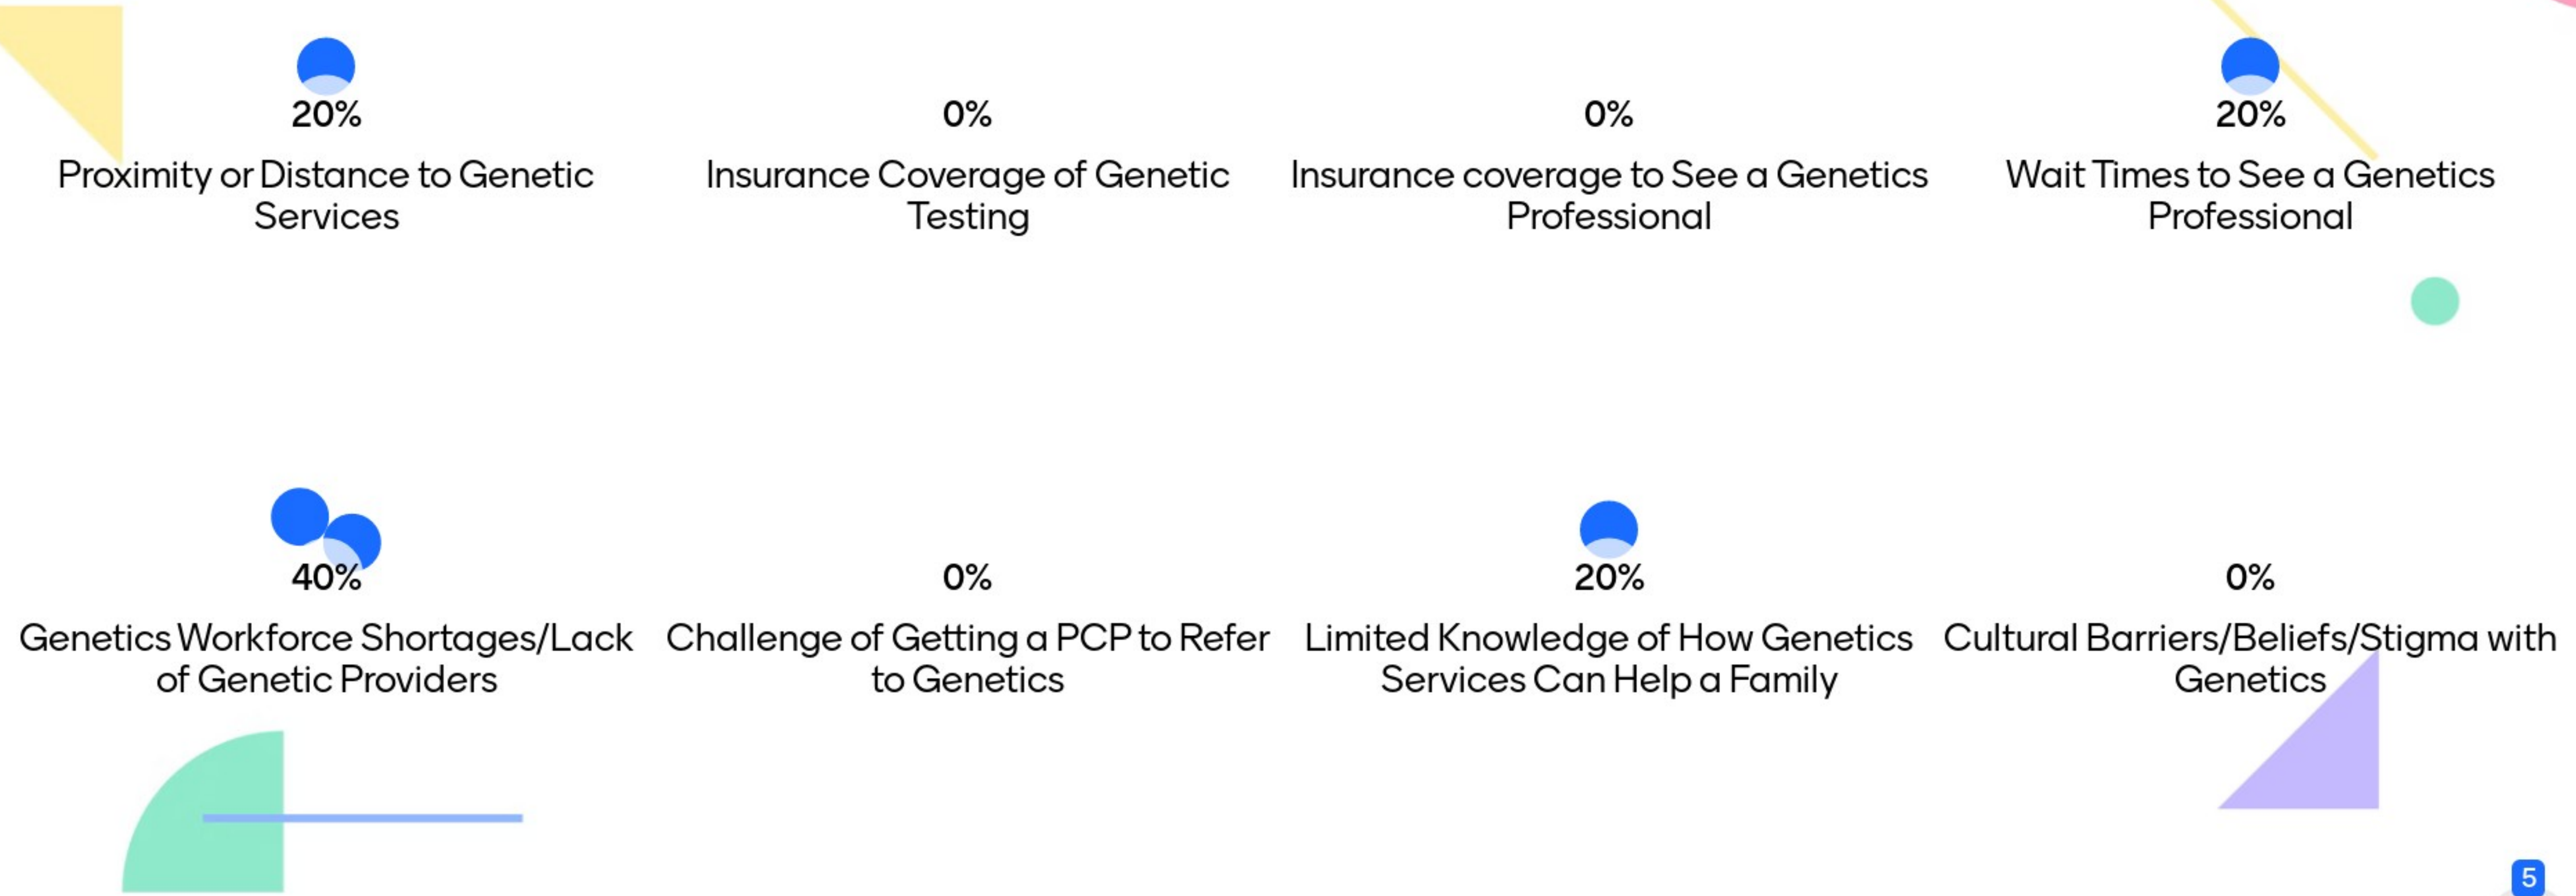

Funding

These are some things we have been hearing from families and AC as BOULDERS. Choose a value for each boulder from smallest (1) to biggest (10)

# Which of these BOULDERS is the biggest (in your state)?

# Solution time!

Blasting and Bridging our Boulders

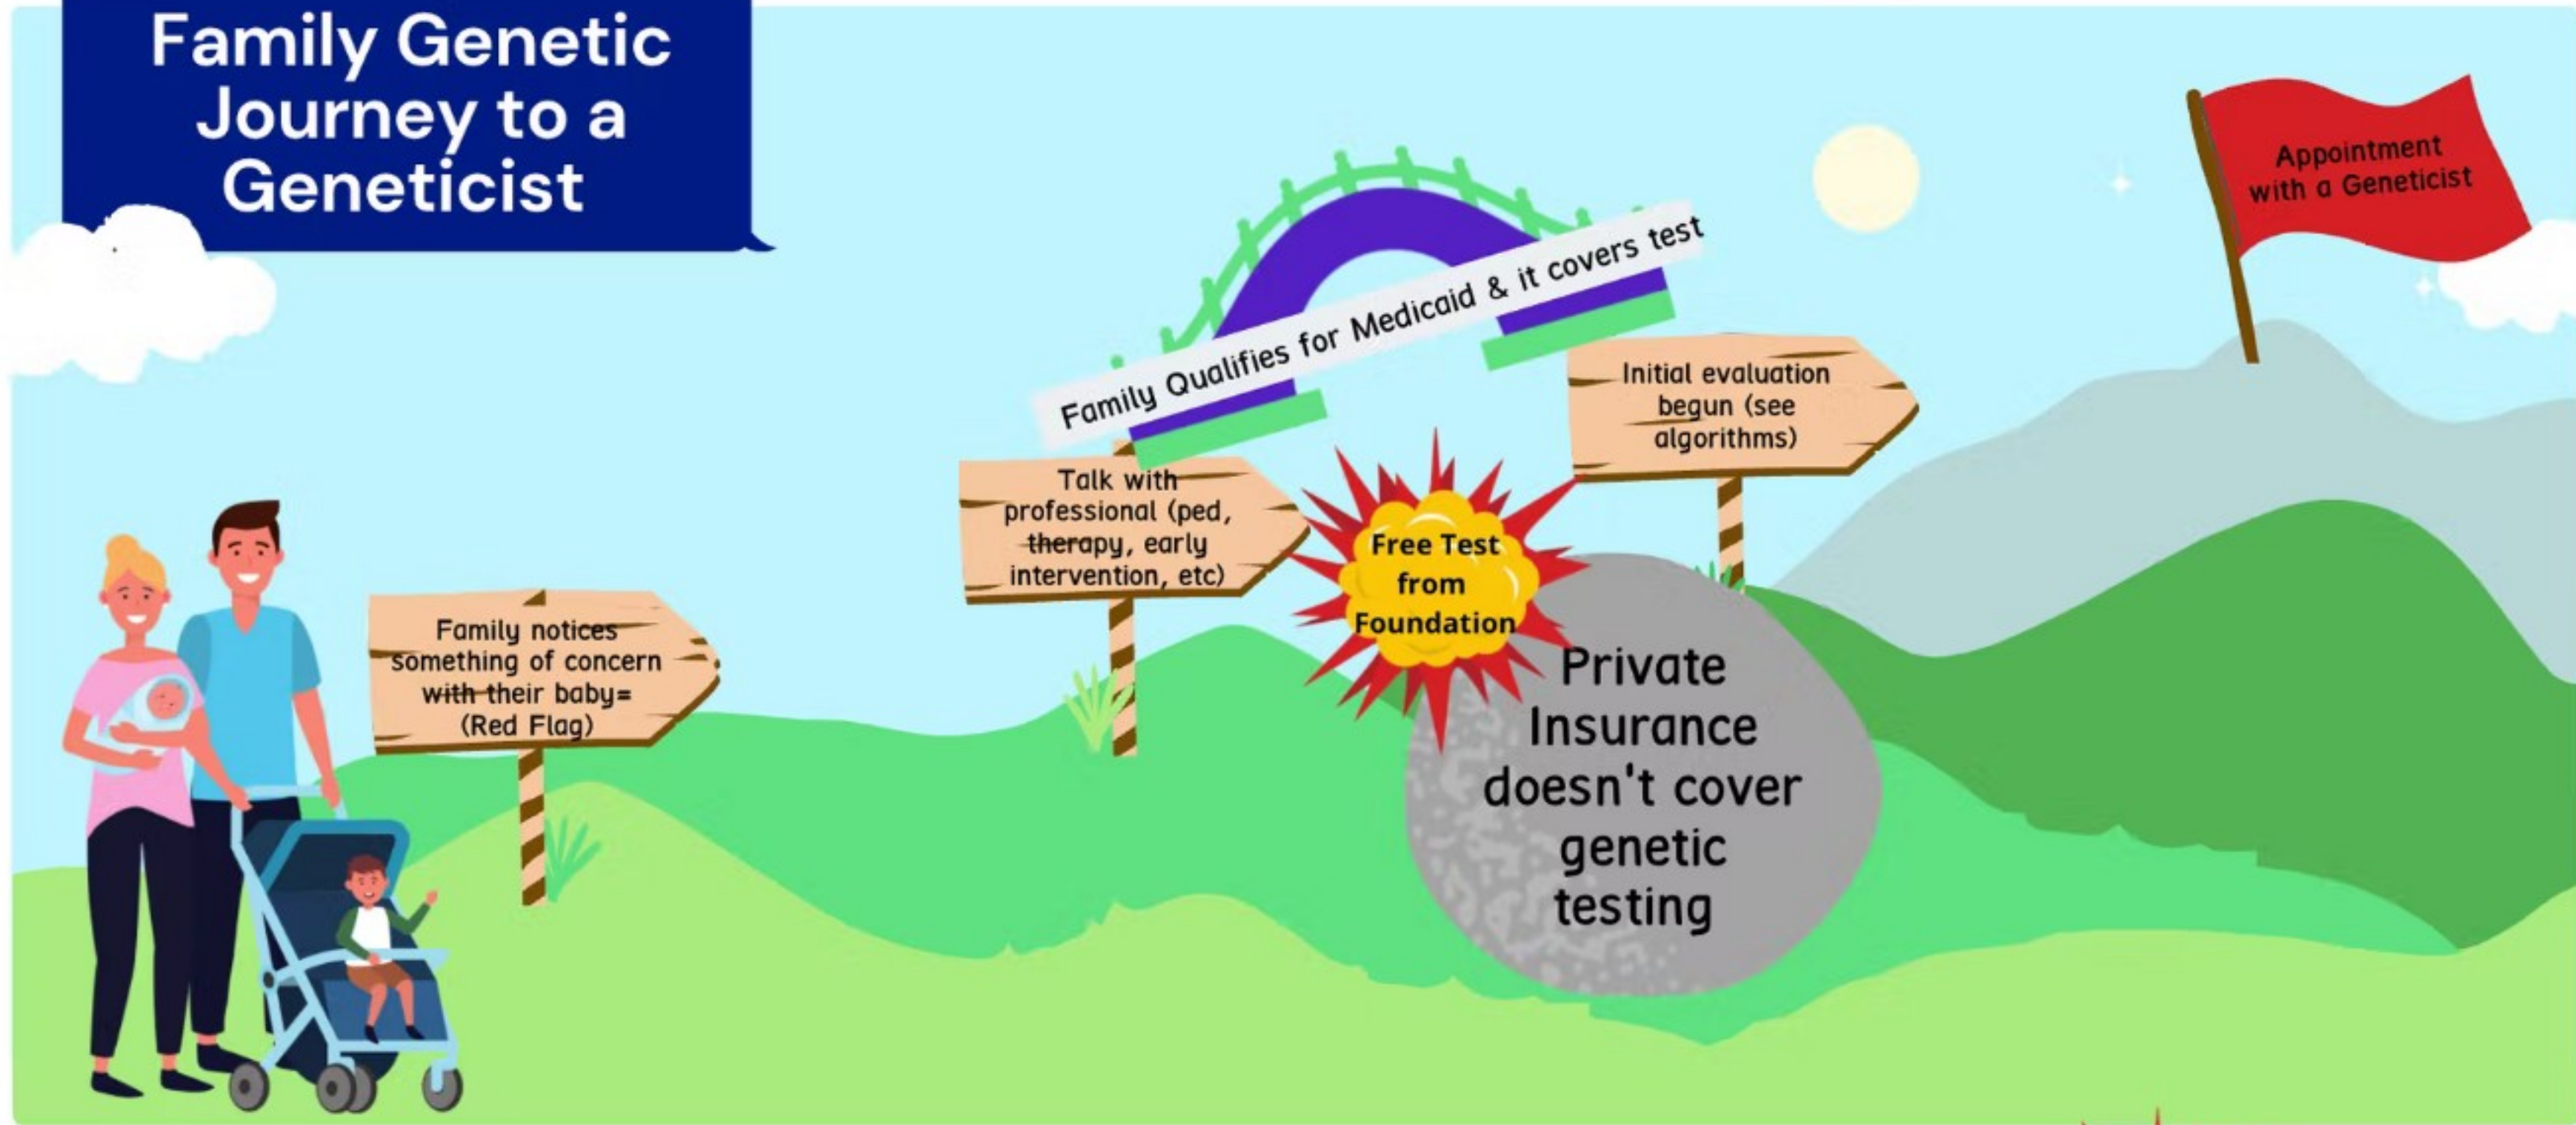

Let's pick a BIG boulder and brainstorm on Solutions!

# Family Genetic Journey to a Geneticist

1

Fill in each of the milestones you would like to reach on the way to your goal.

2

What are the blockers that might stop you from reaching these milestones?

3

How might you find a way over or through these blockers?  
BLASTS & BRIDGES

**STOP!** Gain Consensus from the Breakout Room on a BIG BOULDER to tackle for SOLUTIONS

STOP! Pick ONE BOULDER before you go to next slide. Moderator please write down the BOULDER picked by the group!

# Our Big BOULDER is \_\_\_\_\_! Braindump and Brainstorm any and all ways to BLAST (remove barrier) this Boulder! 3, 2, 1 - GO!

Triage clinics

Wait time and workforce shortage

activities to increase genetics exposure of med students

Train PA/NPs

Internships on genetics

Fund genetics training

PCPs start testing process

Reimbursed medical debt for genetics

pay geneticists better

# Our Big BOULDER is \_\_\_\_\_! Braindump and Brainstorm any and all ways to BLAST (remove barrier) this Boulder! 3, 2, 1 - GO!

Clinics to help train NP/PAs. Offer training opportunities.

Legislation for fundings

pay geneticists better  
increase recruitment activities

increase recruitment activities  
pay geneticists better

# Our Big BOULDER is \_\_\_\_\_! Braindump and Brainstorm any and all ways to BRIDGE (partnership to go around, over) this Boulder! 3, 2, 1 - GO!

PCPs start the testing process

Training opportunities for APPs.

Legislation for funding.

Education to PCPs

Agree on legislation for funding

Telemedicine

Now let's think about ALL the other Boulders that have been mentioned today... and let's BLAST and BRIDGE them! Type in the box BOULDER: SOLUTION

# Thanks for joining us!

We will now be exiting the breakout room and joining the main session after a 15 minute break. If you remain logged into zoom you will automatically be taken back to the main session 5 minutes before the next session ends. If you would like to finish a conversation over the break, feel free to hang out here for a few minutes to chat before the next session begins at 4pm CT.

But, if you want or need to take a break, please do so by turning your off your camera and mic.

Break Time 3:45-4:00 PM CT
