

Rock Report: Breakout Room #4: Arizona & Utah

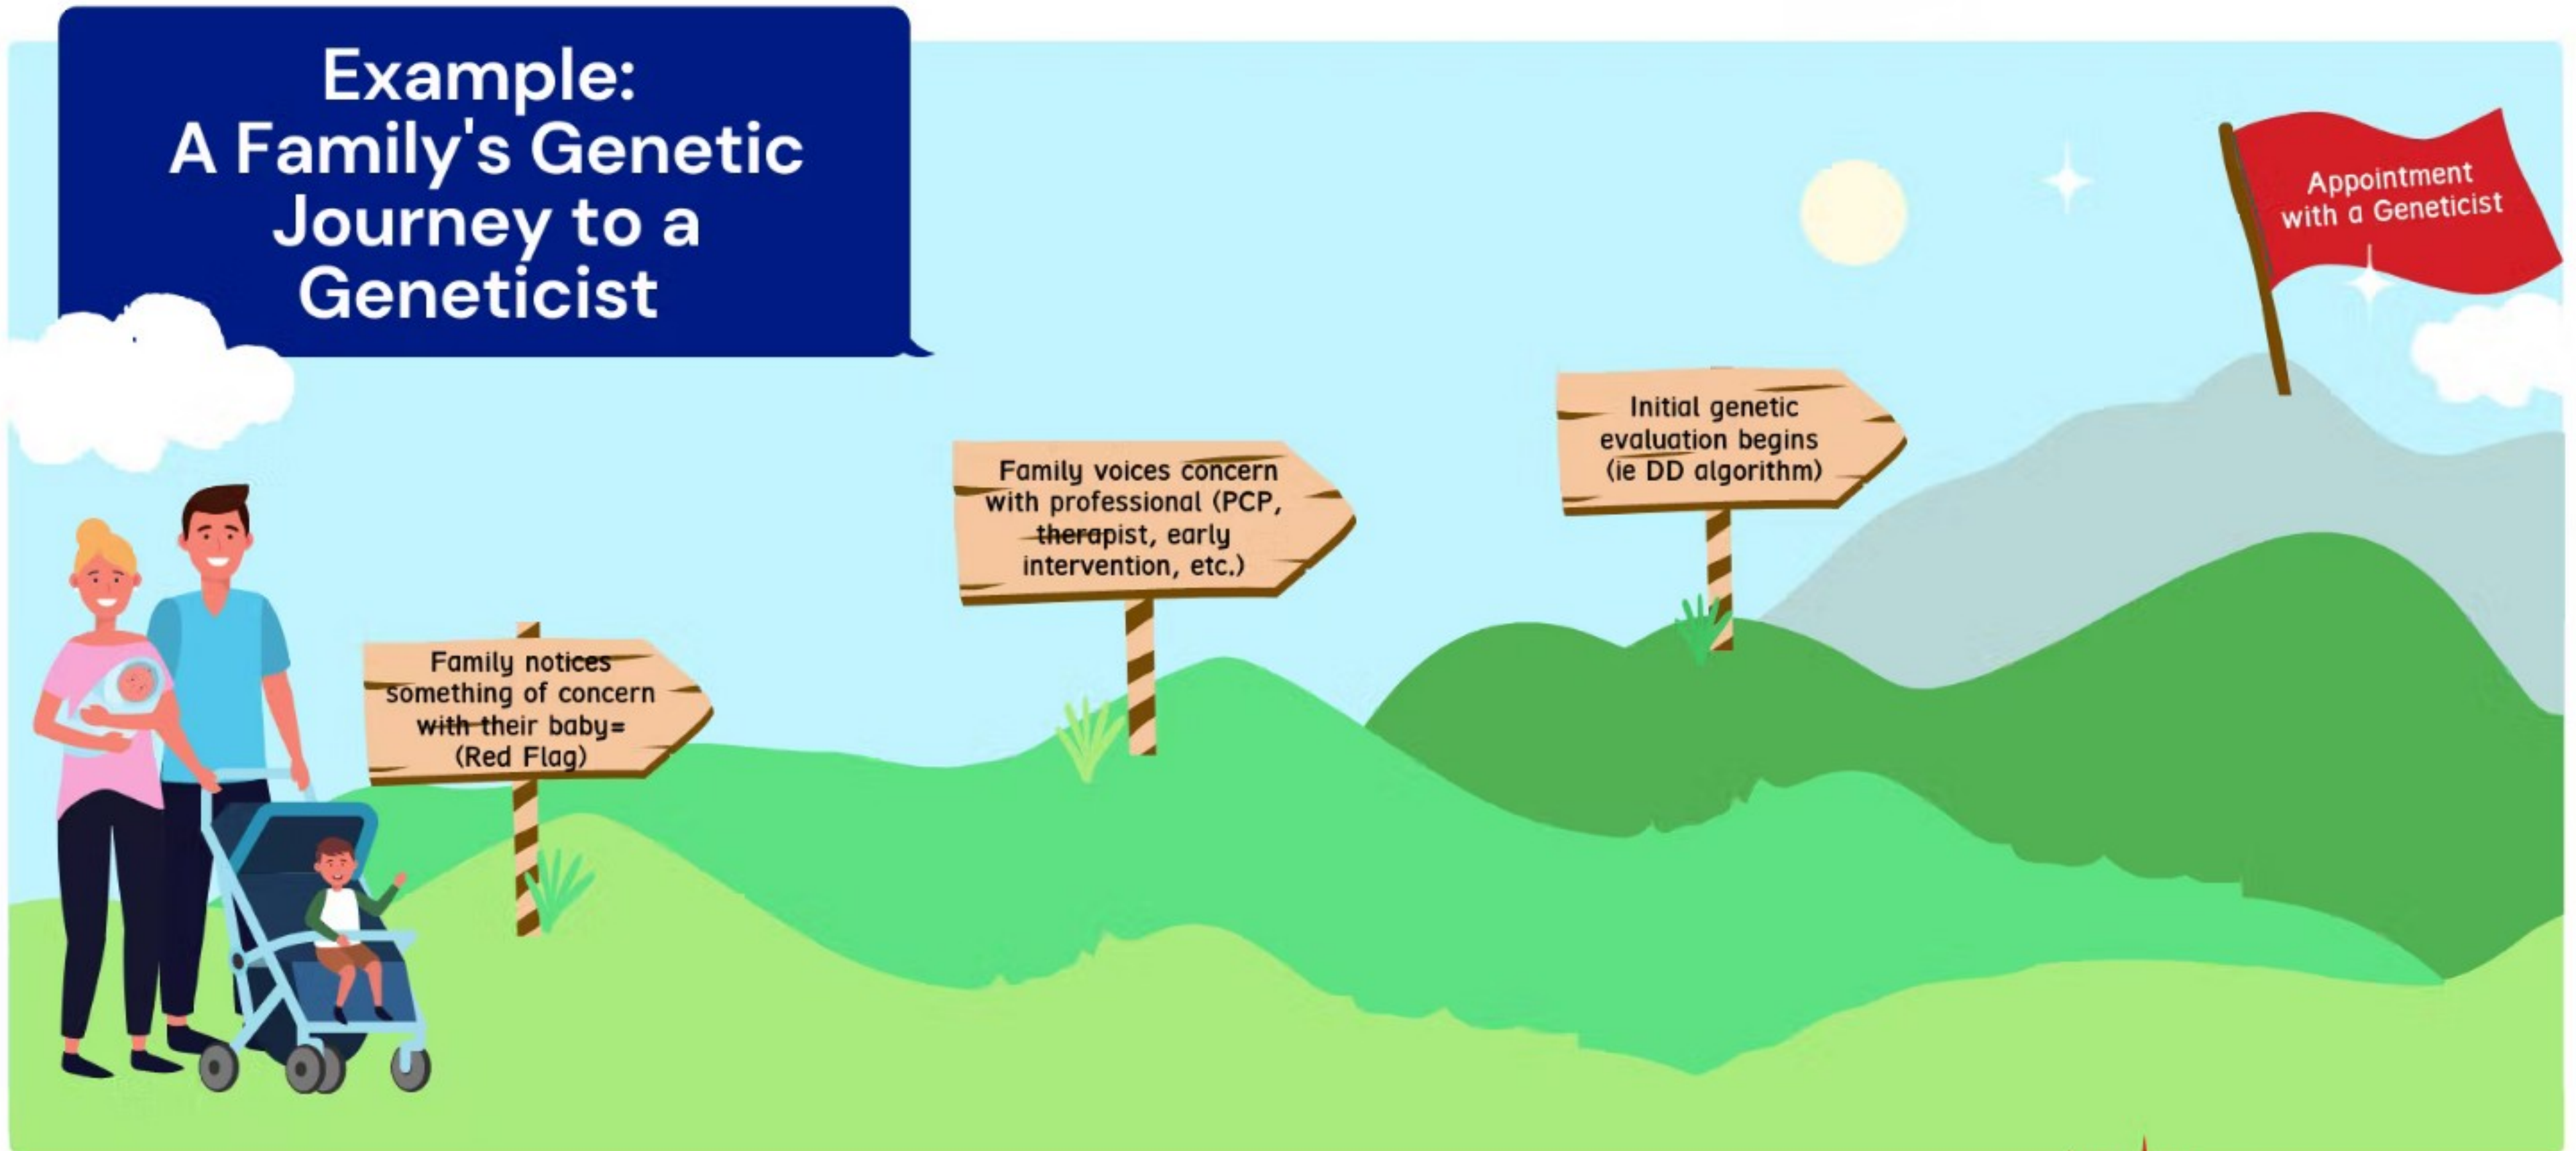

STOP! Reminder to BEGIN recording NOW!

Welcome to MSRGN's Breakout room! You have arrived at the right place! Hang out for a moment until the moderator advances to the next slide.

1

Fill in each of the milestones a family might reach on the way to their goal.

2

What are the BOULDERS that might stop a family from reaching these milestones?

3

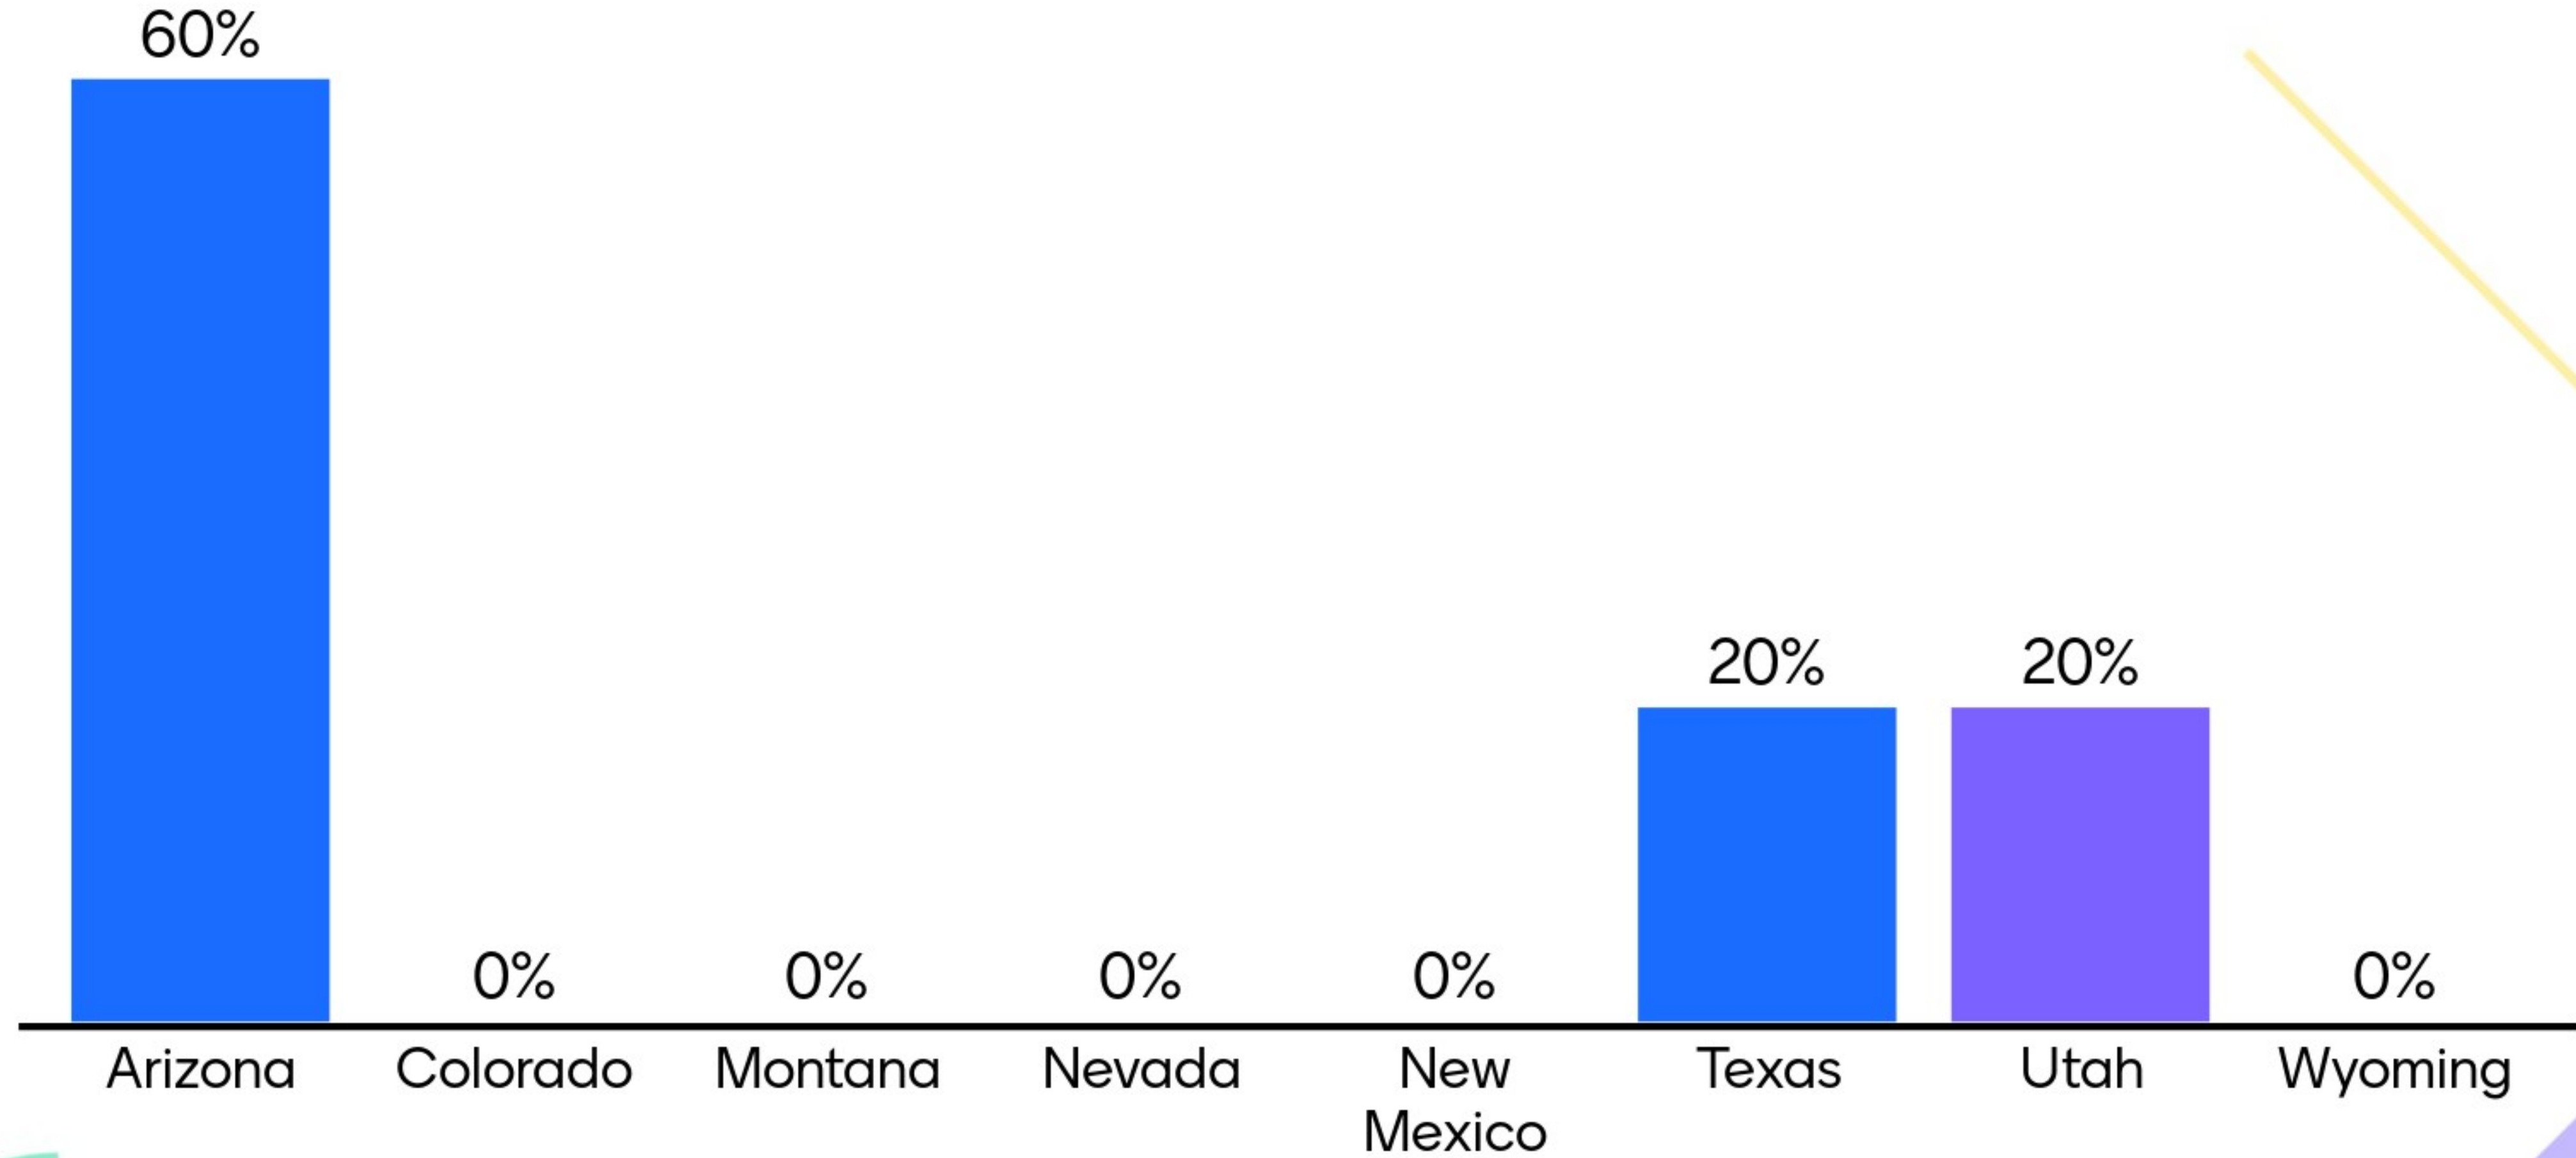

How might a family find a way over or through these BOULDERS? BLASTS & BRIDGES

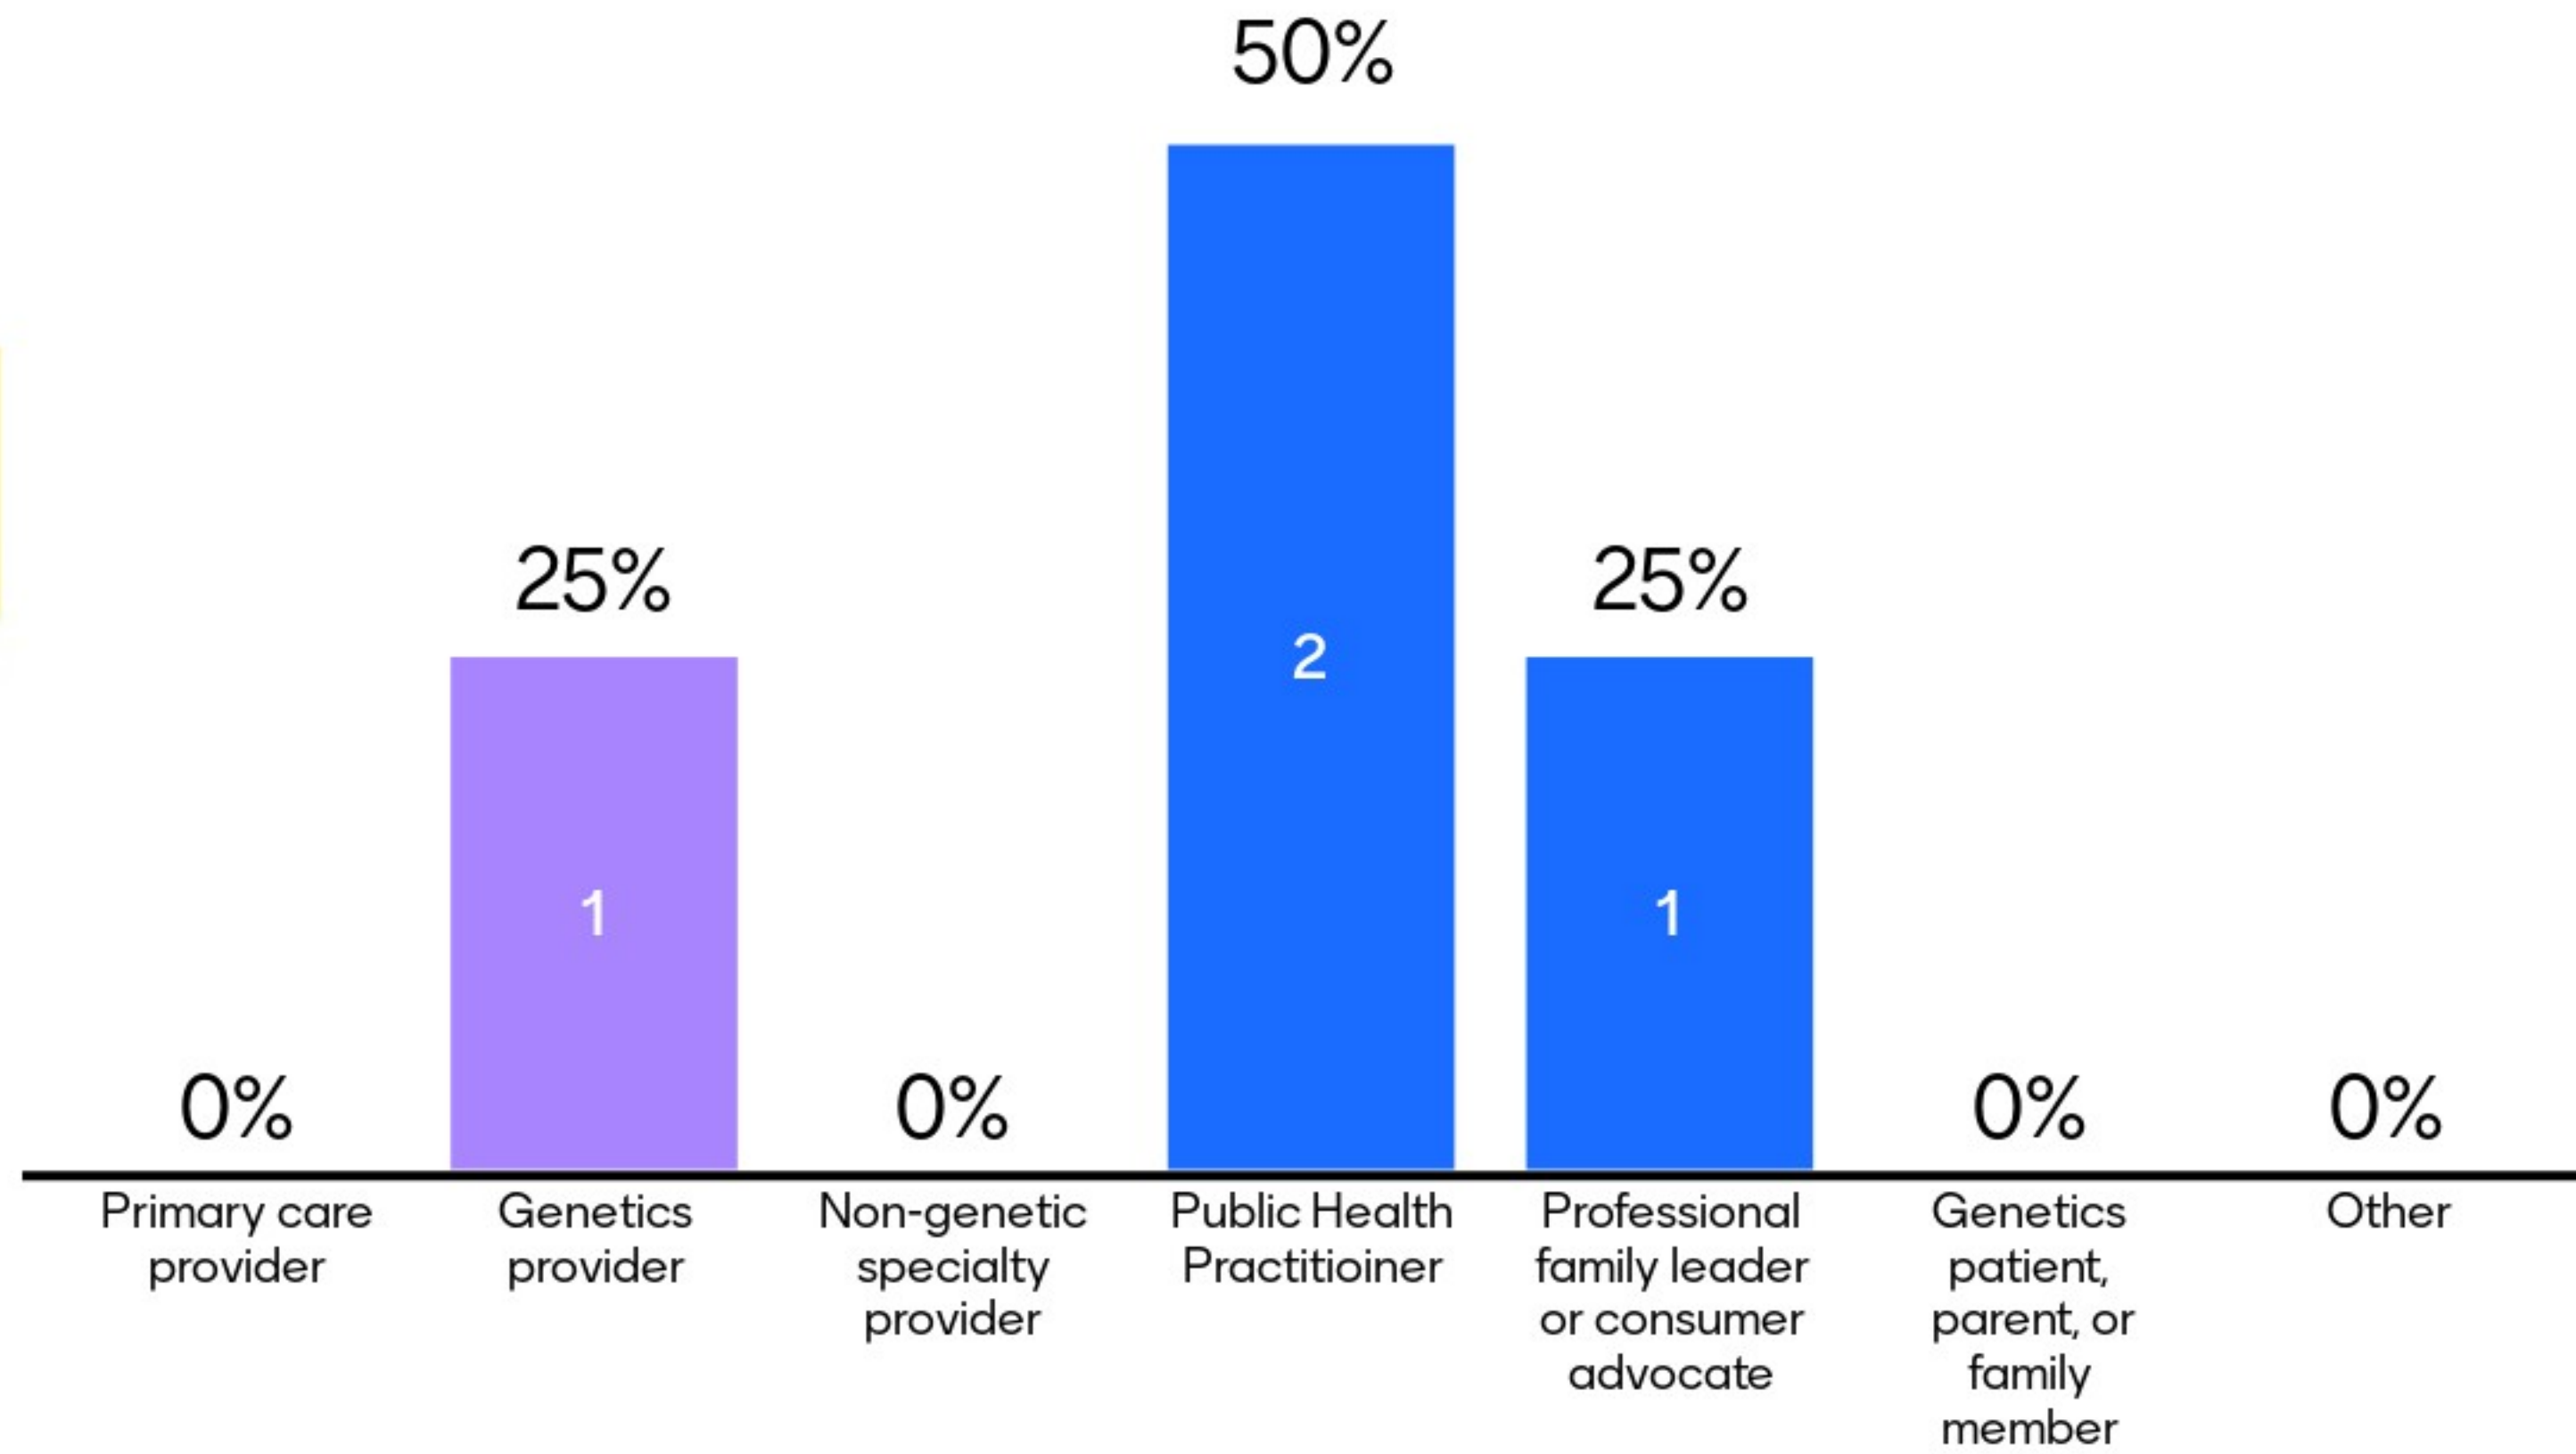

Remember our picture with the family trying to access genetics...

What state do you live in?

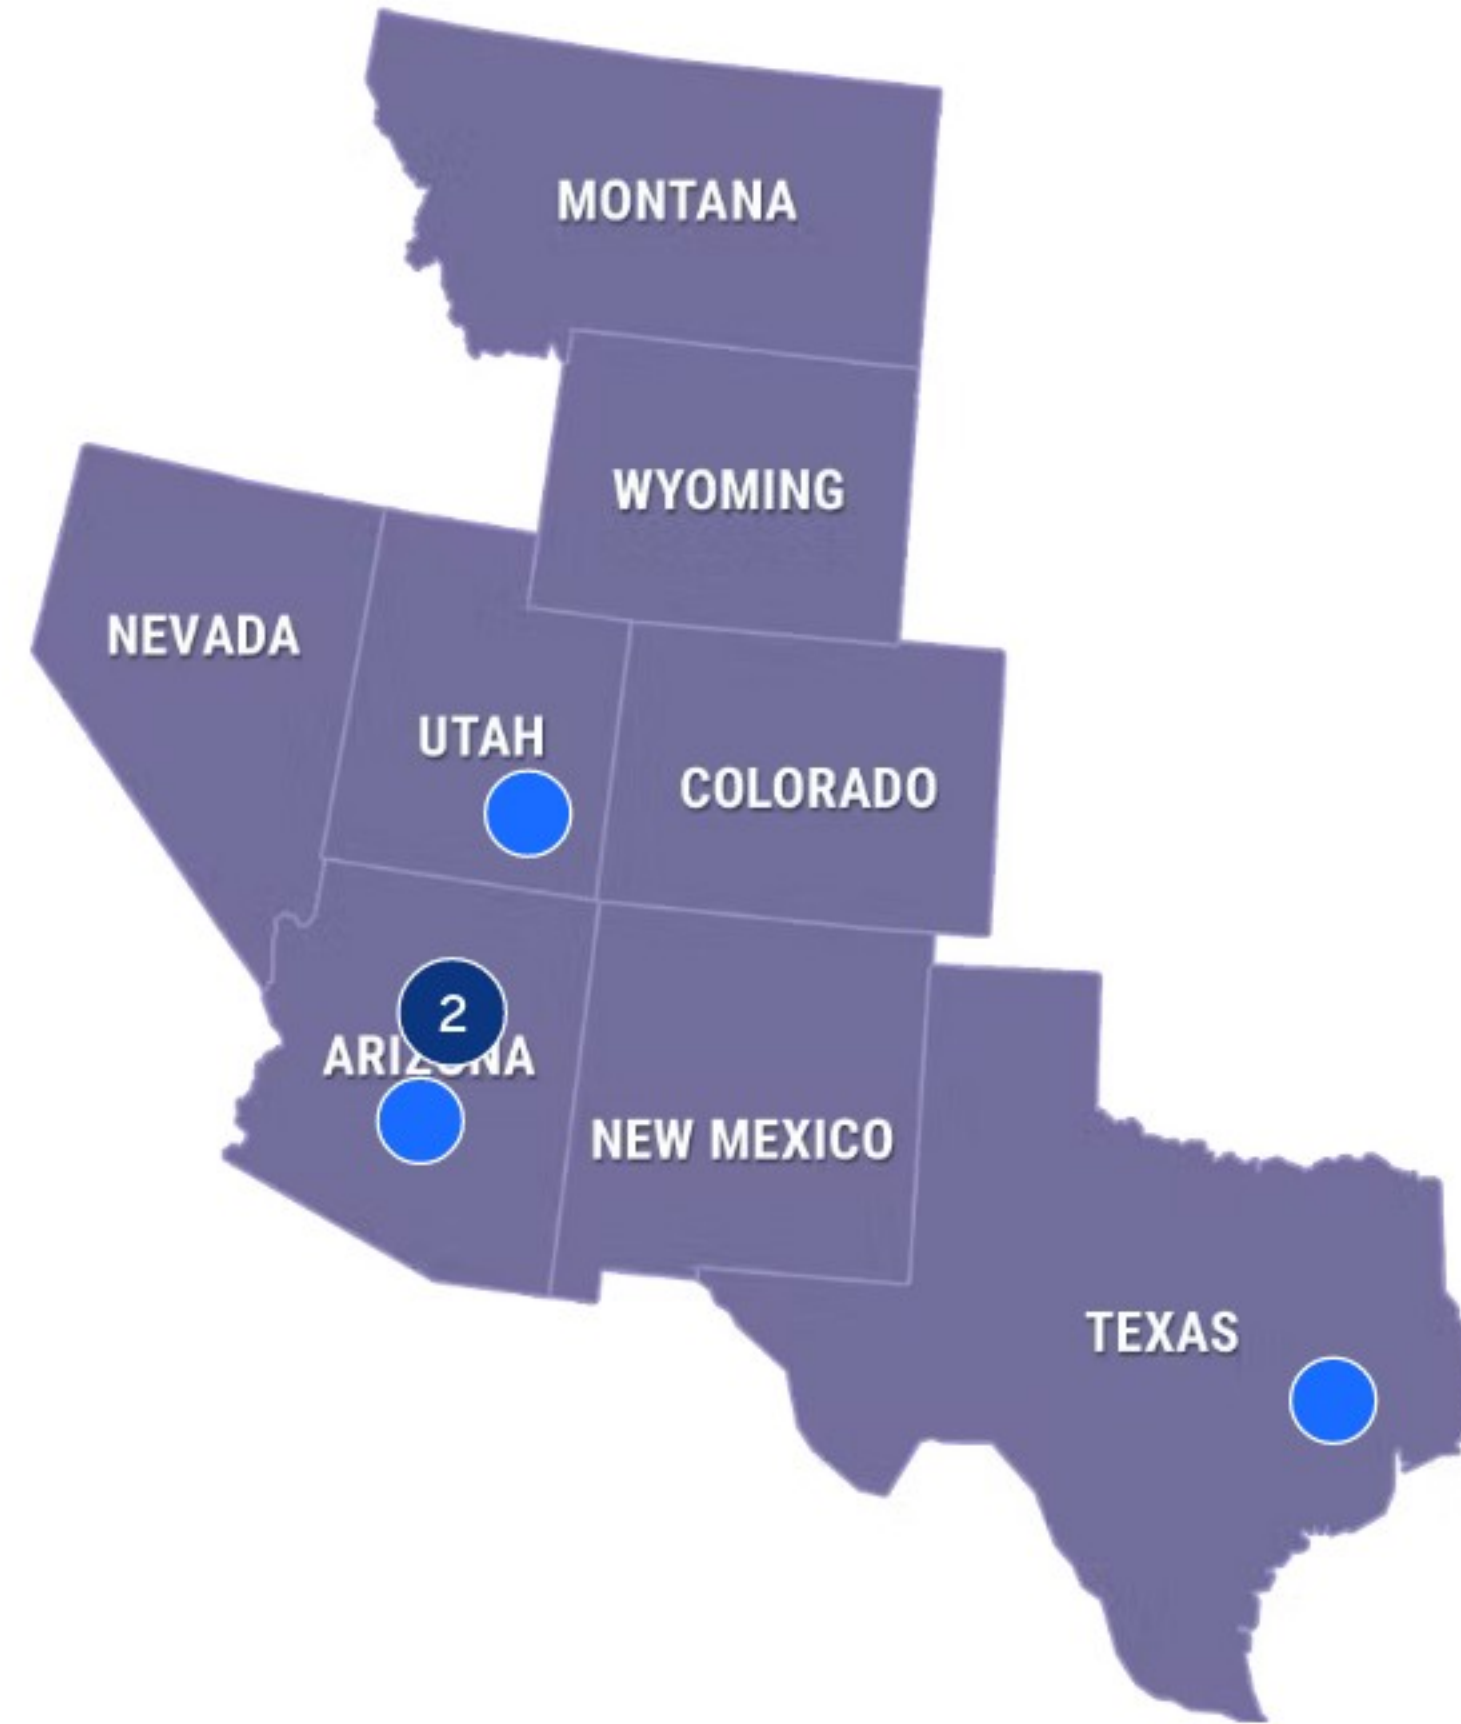

I am a...

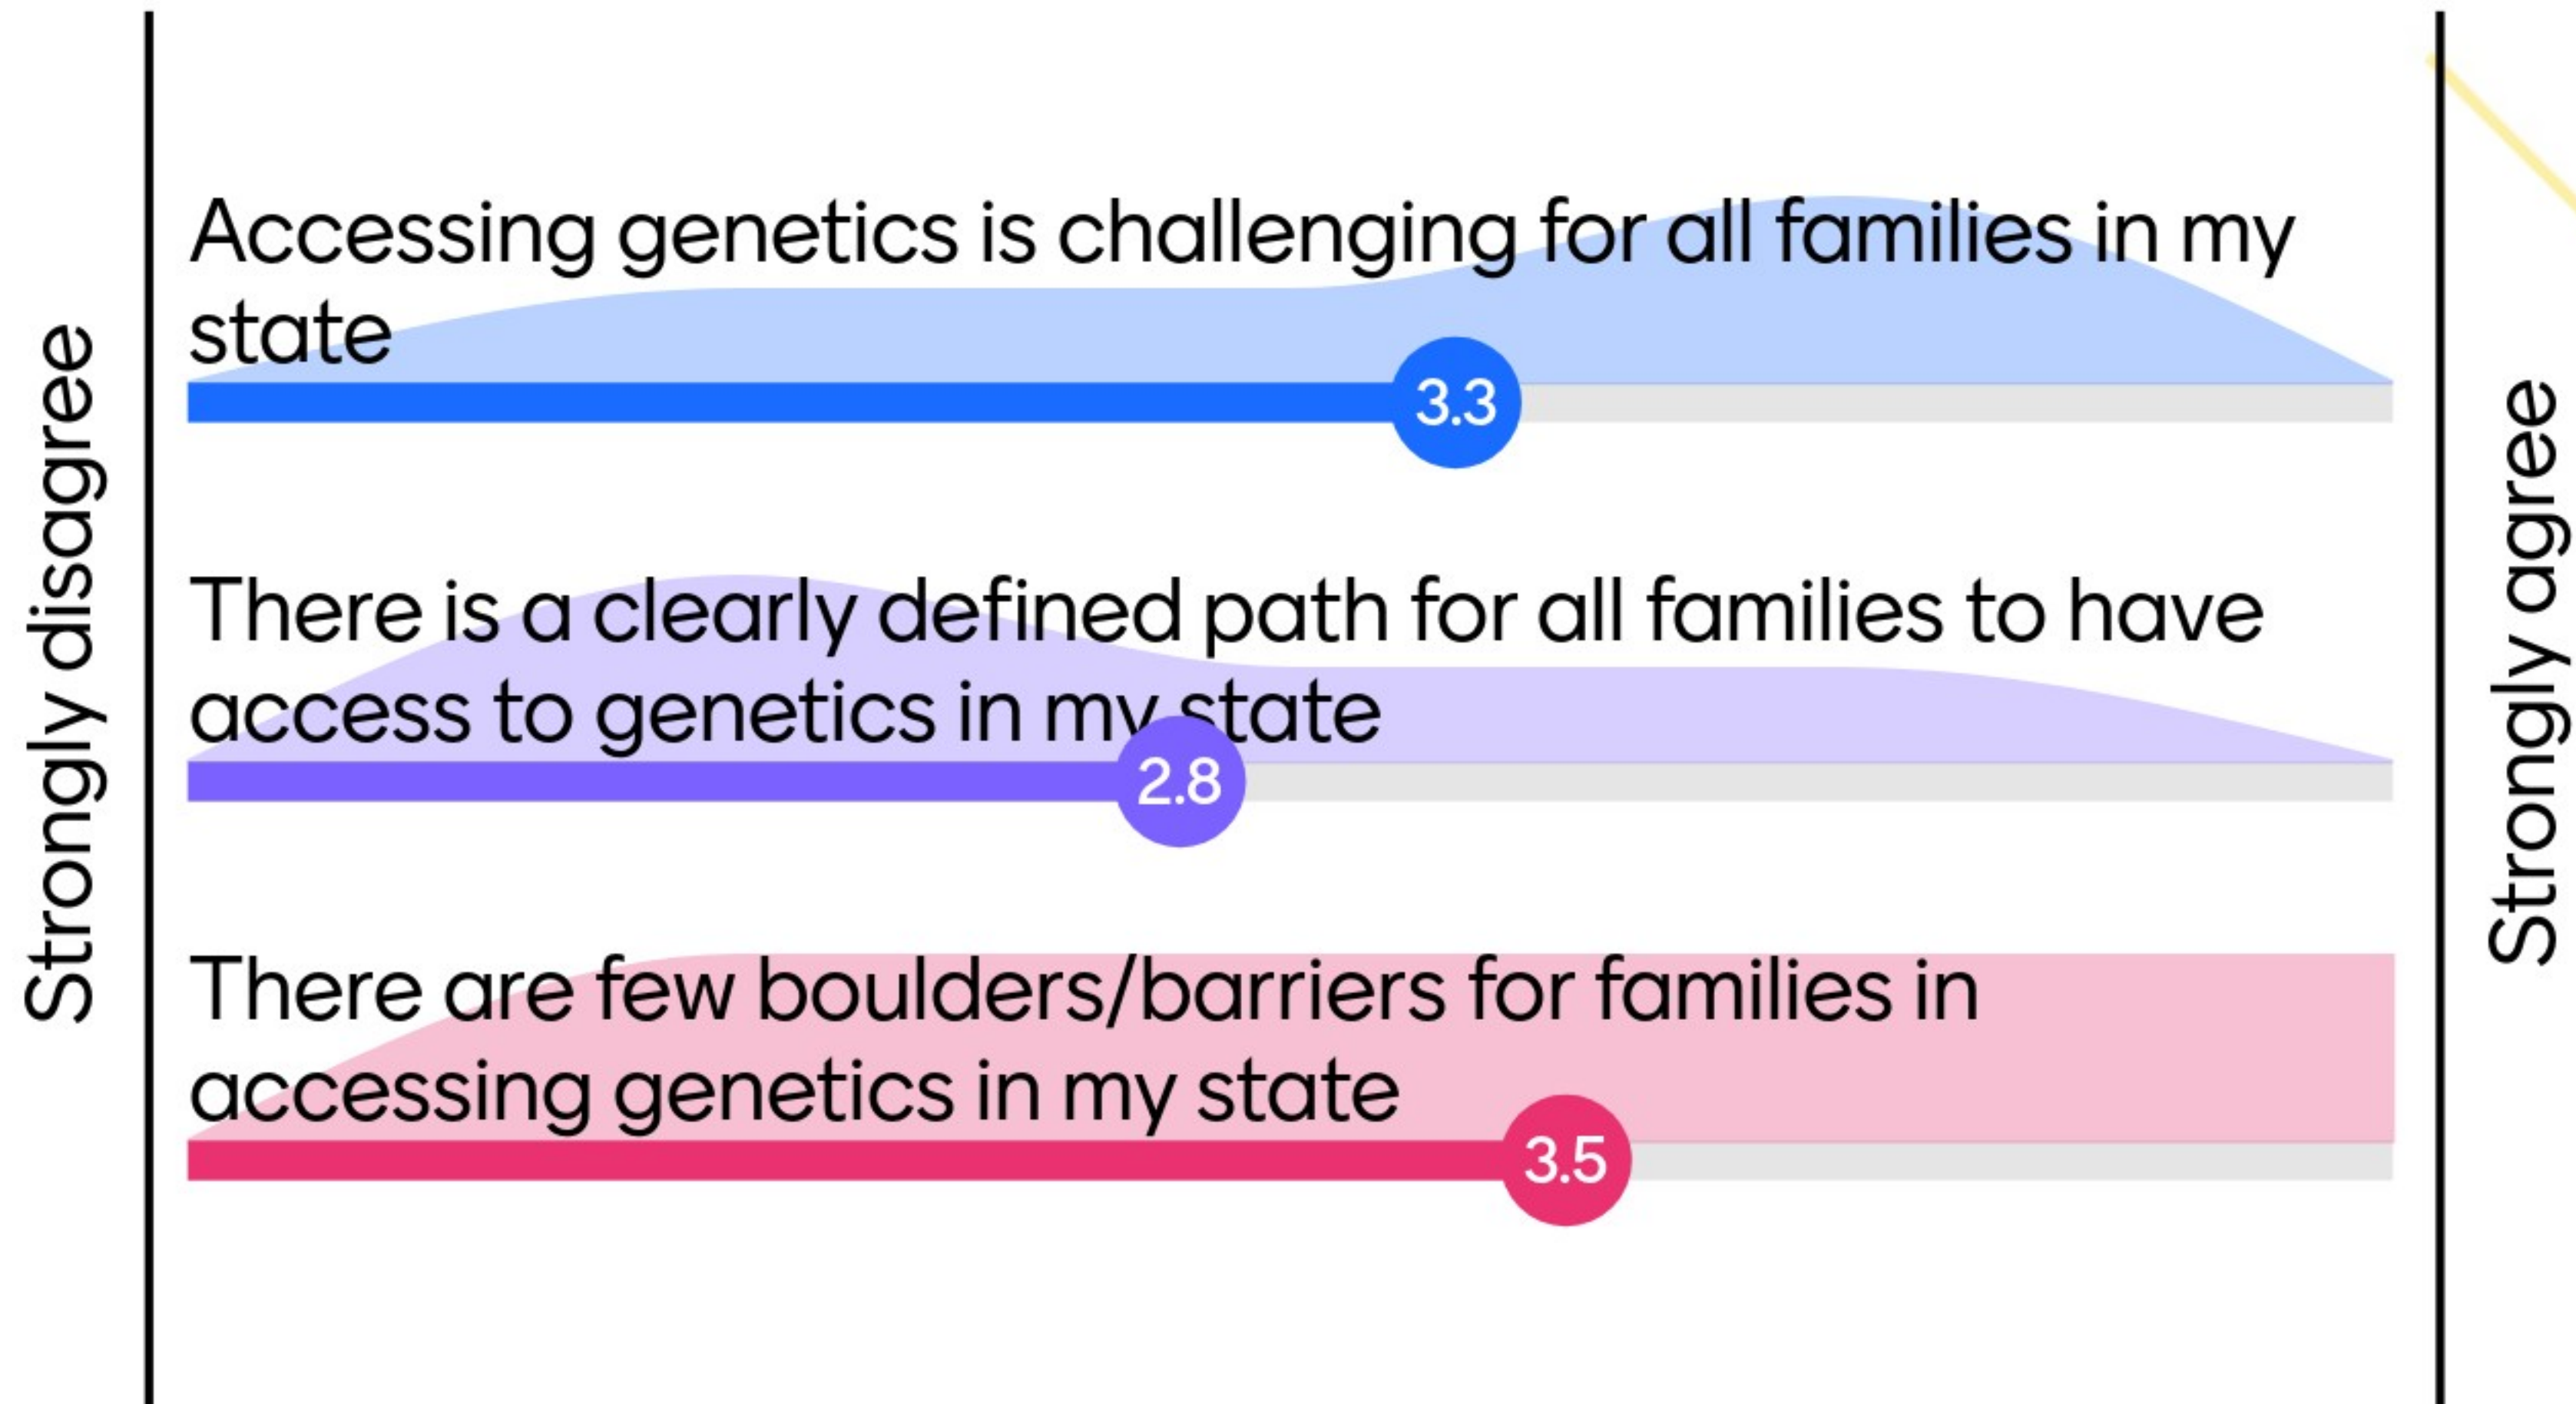

What state do you live in?

- Arizona
- Colorado
- Montana
- Nevada
- New Mexico
- Texas
- Utah
- Wyoming

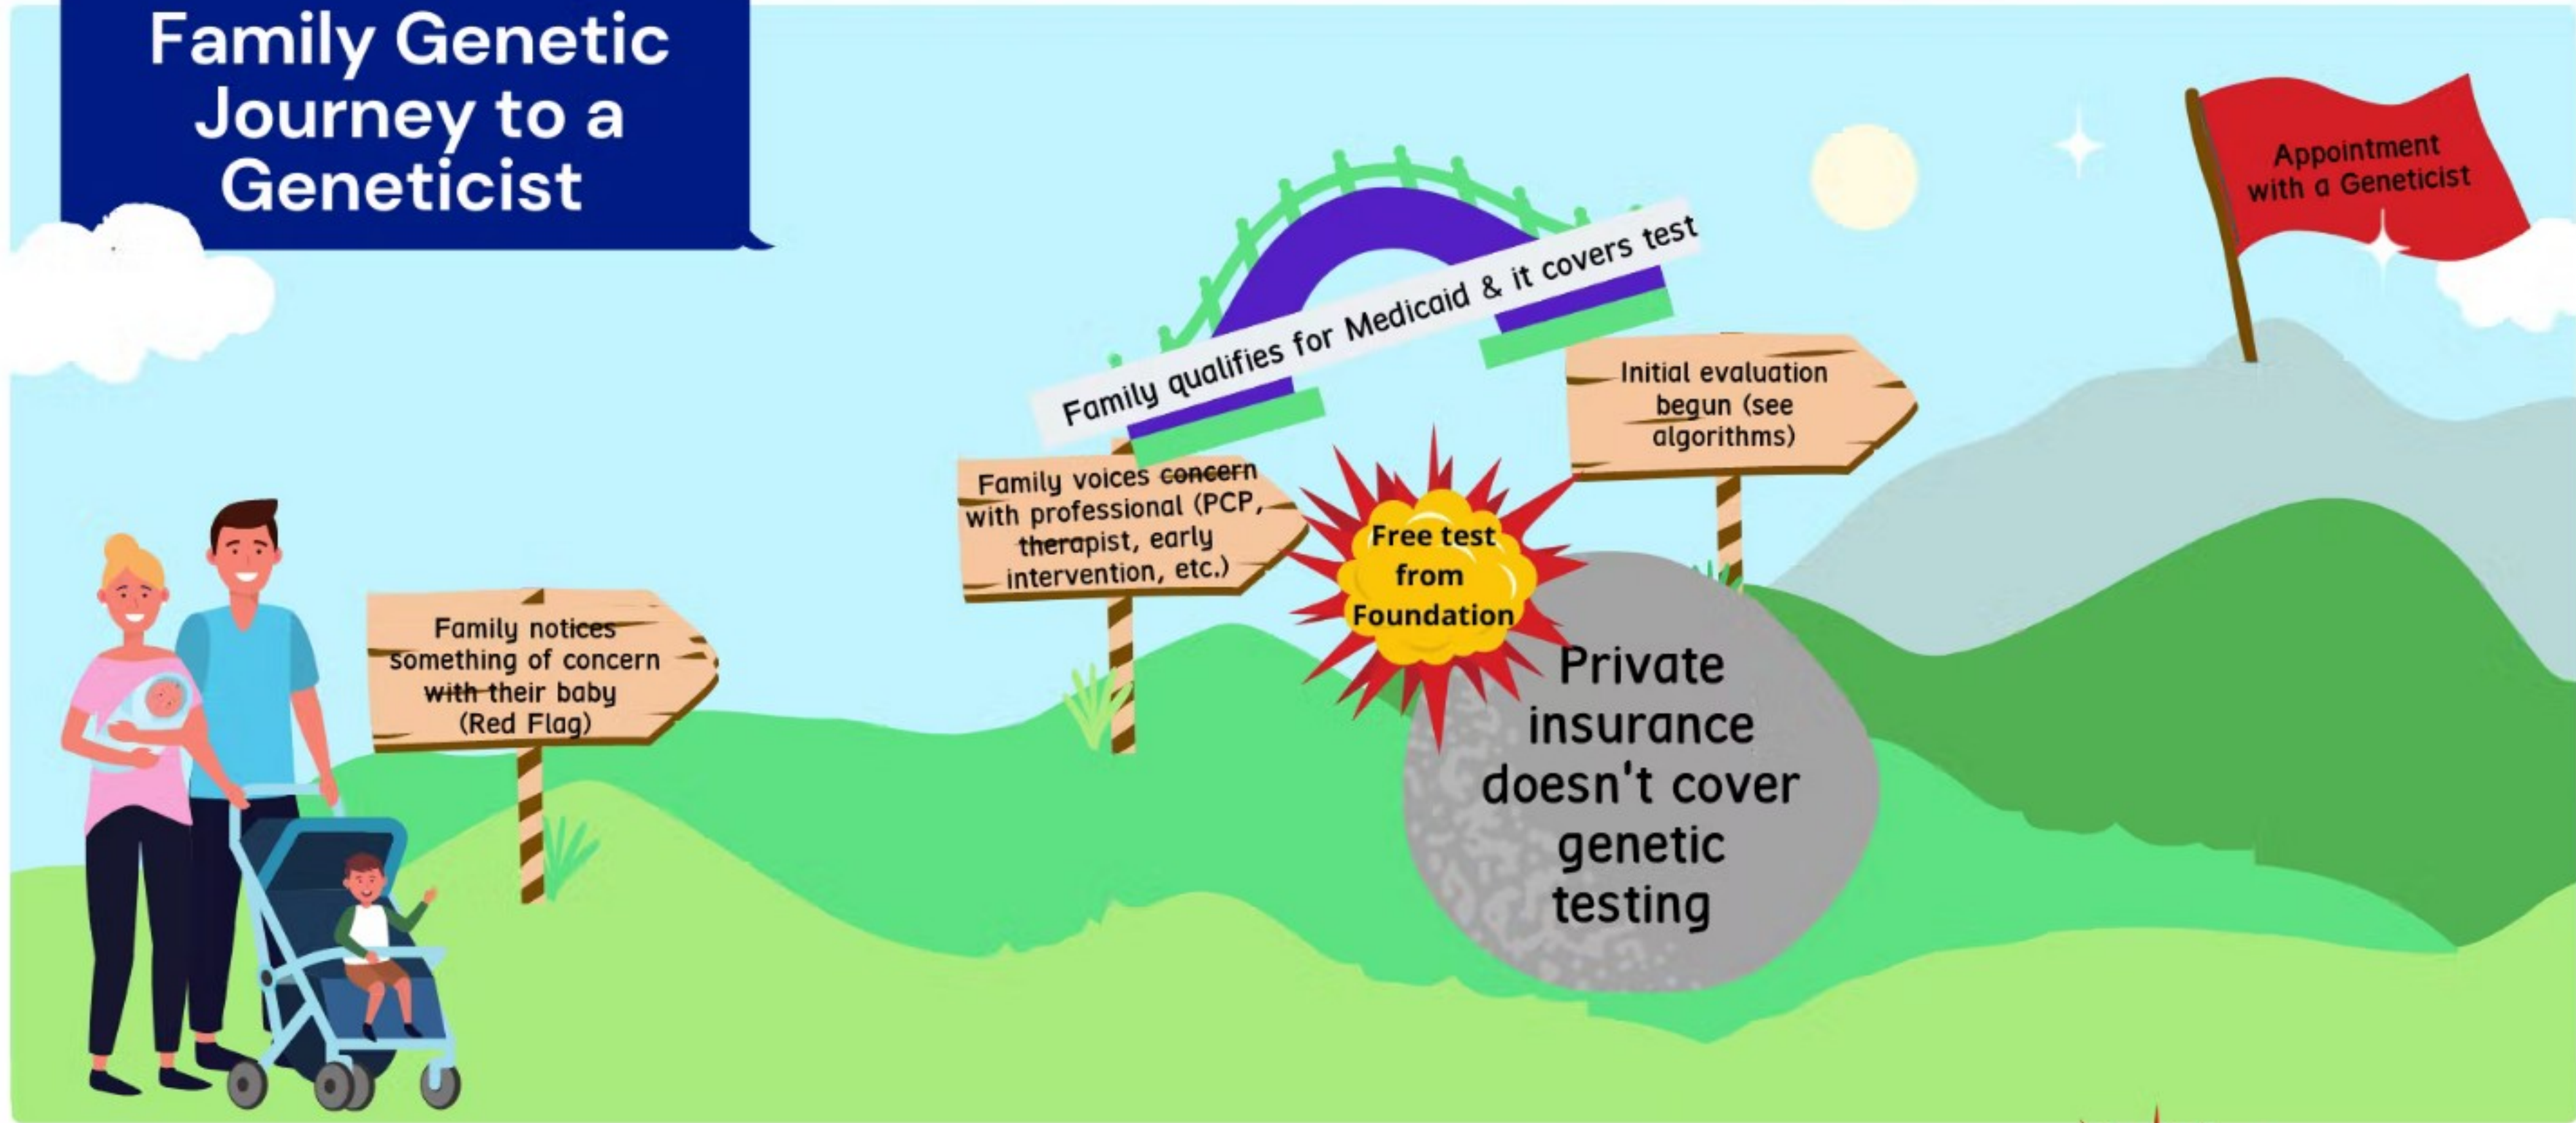

Drop a pin on where you live in the Mountain States

Rate these Statements: Agree/Disagree

Family Genetic Journey to a Geneticist

1

Fill in each of the milestones you would like to reach on the way to your goal.

2

What are the blockers that might stop you from reaching these milestones?

3

How might you find a way over or through these blockers? BLASTS & BRIDGES

Remember our picture again and the BOULDER....

What do you think is the biggest BOULDER (barrier) for families accessing genetics in your state?

awareness of options
knowledgeable providers
appointments
awareness
insurance referrals
availability providers availability
insurance coverage

Of the words you just saw in the word cloud... what is the biggest BOULDER (barrier) for families accessing genetics in your state?

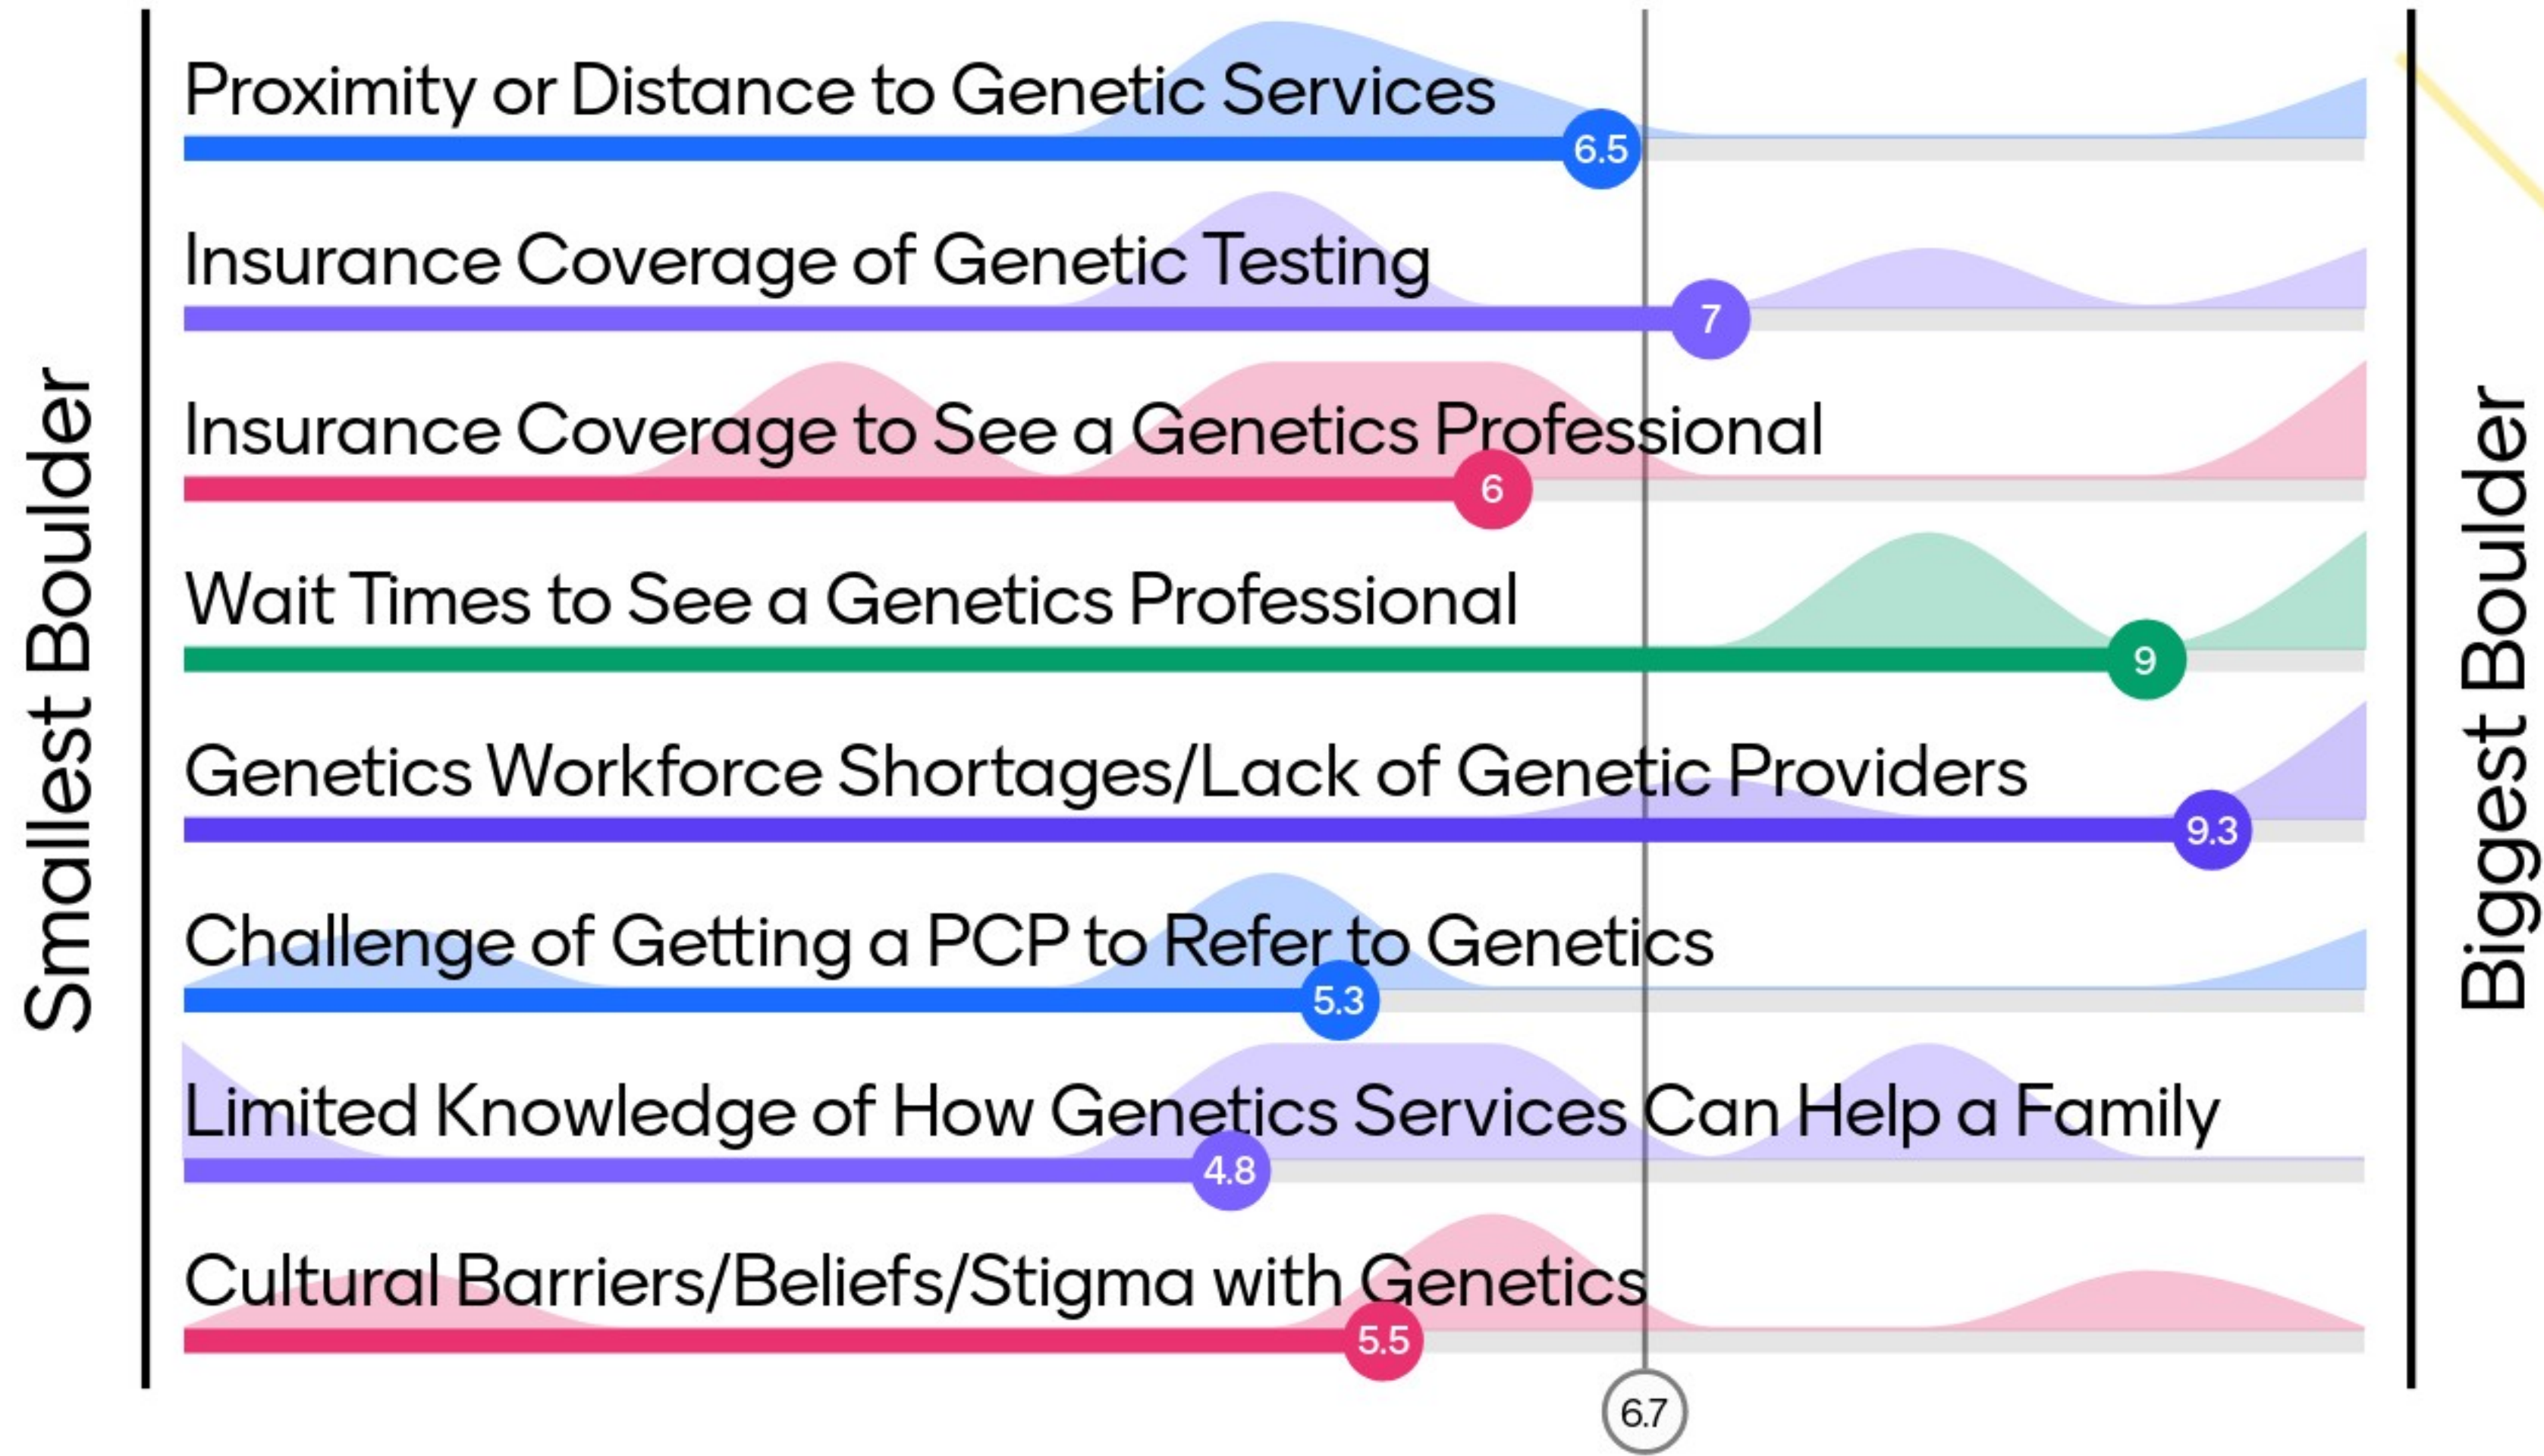

Providers availability

Awareness

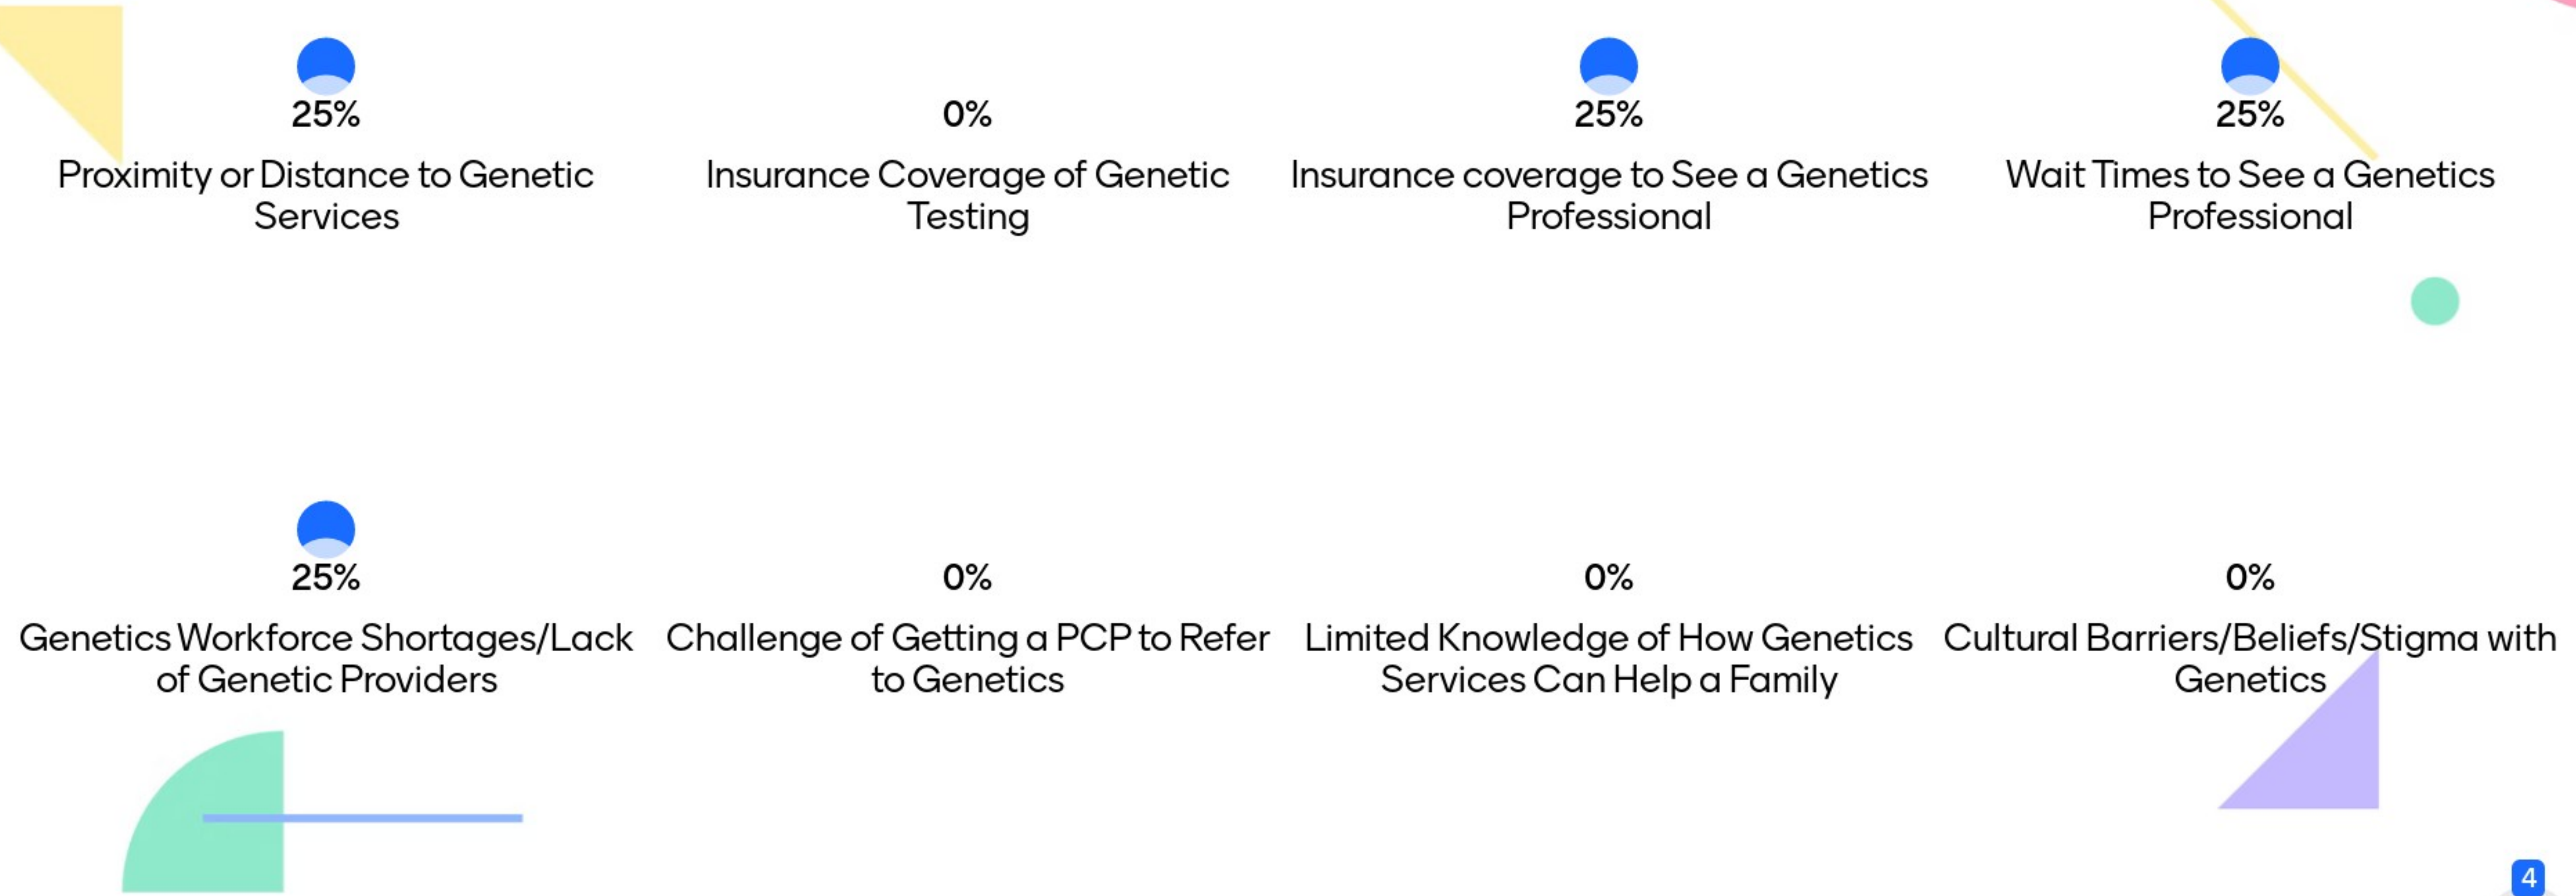

appointment availability

Provider availability

These are some things we have been hearing from families and AC as BOULDERS. Choose a value for each boulder from smallest (1) to biggest (10)

Which of these BOULDERS is the biggest (in your state)?

Solution time!

Blasting and Bridging our Boulders

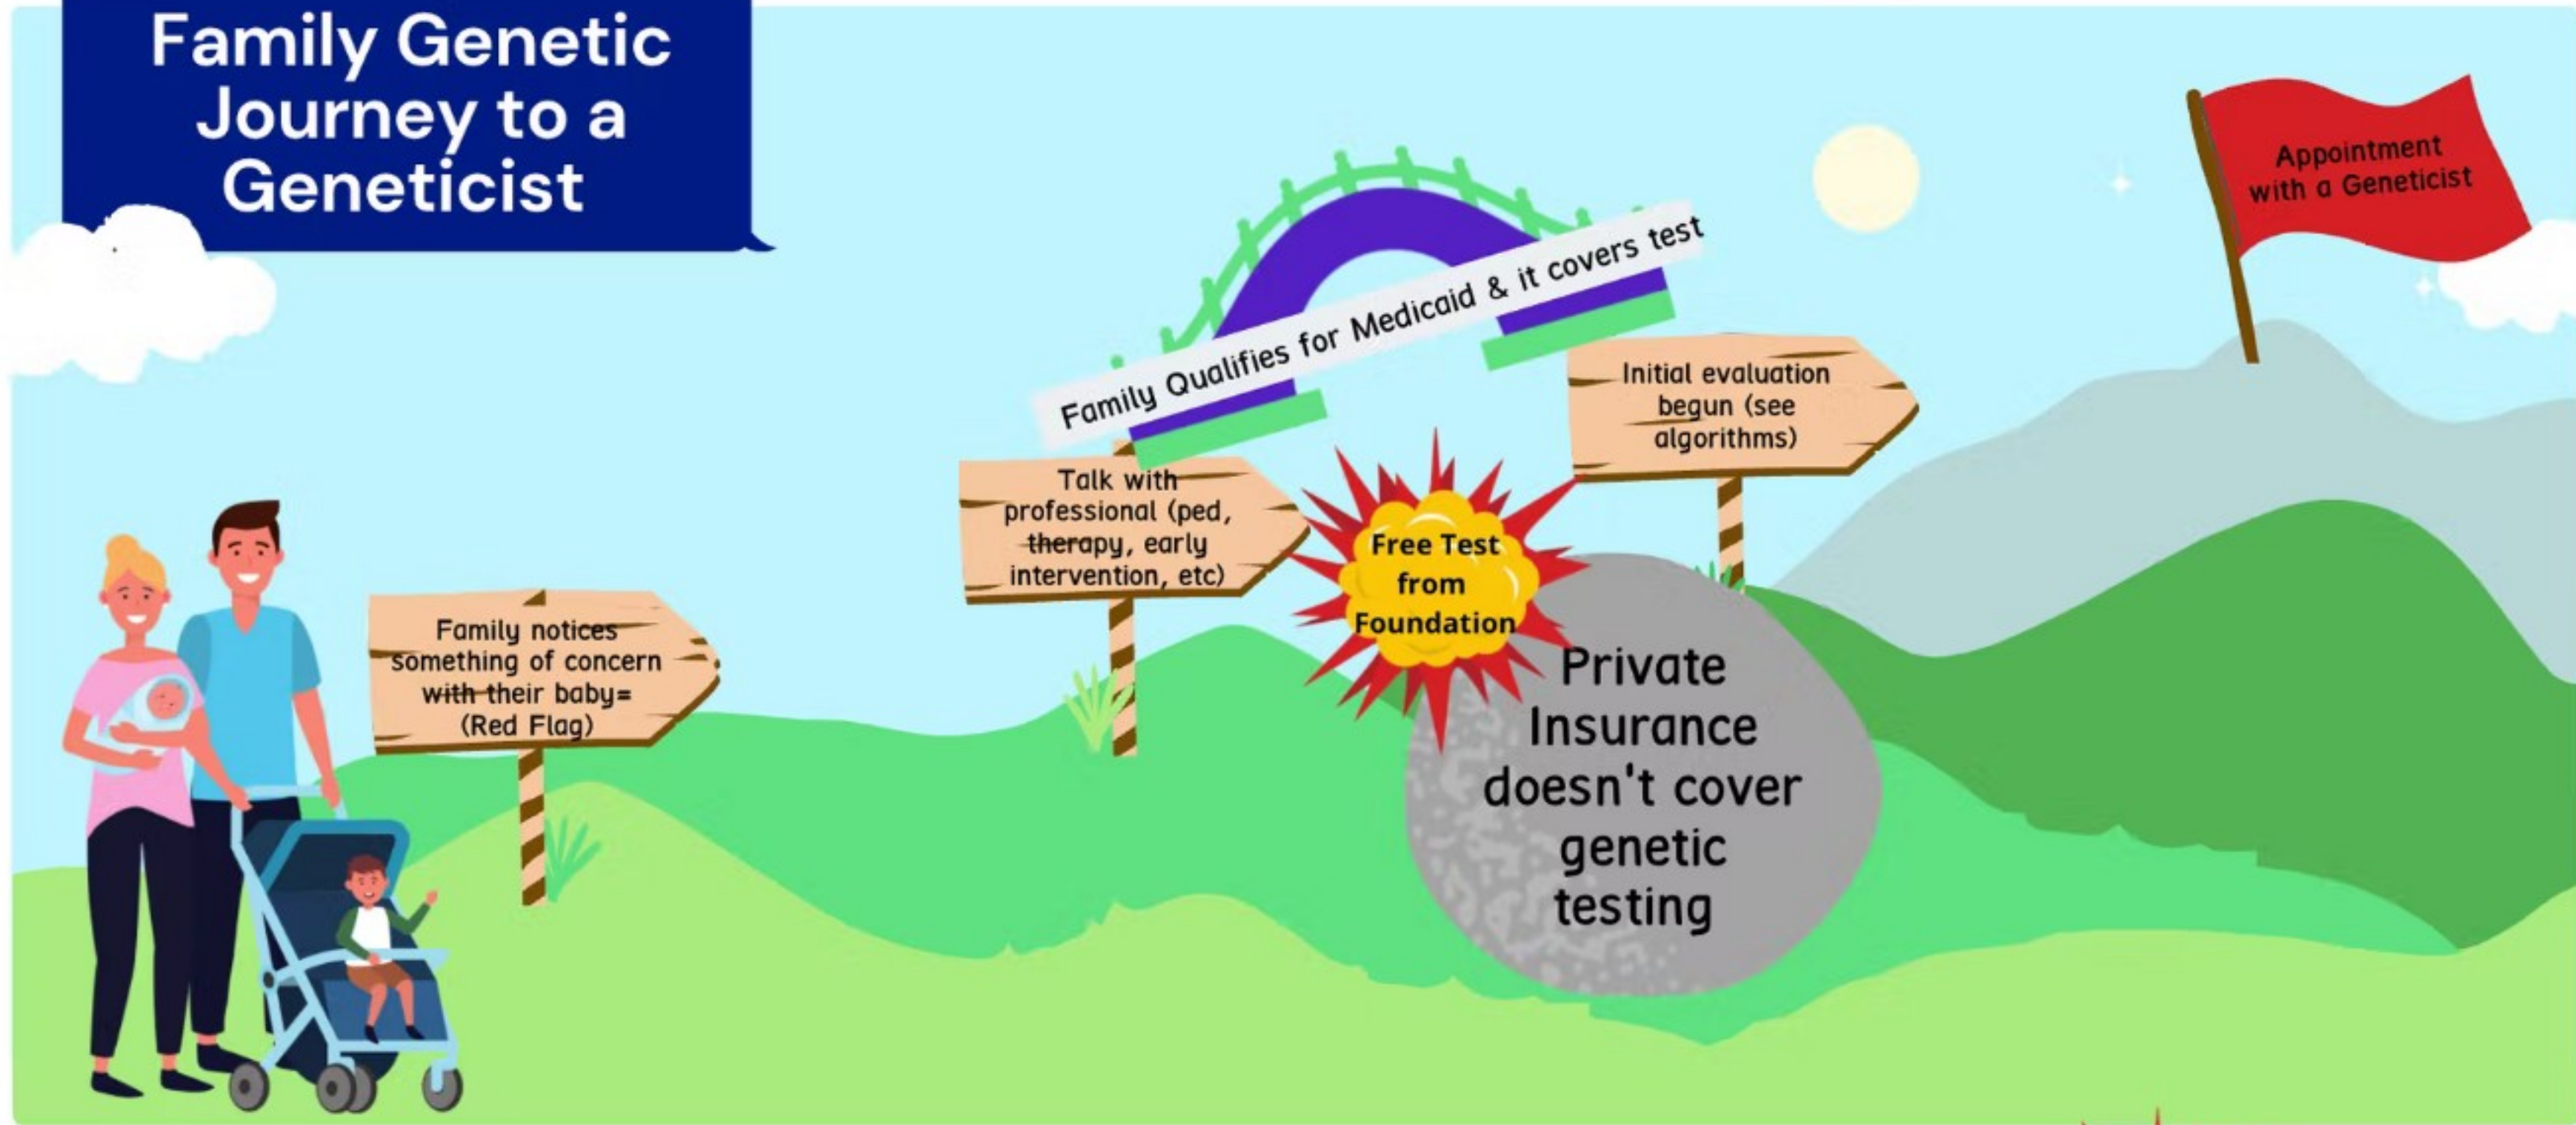

Let's pick a BIG boulder and brainstorm on Solutions!

Family Genetic Journey to a Geneticist

1
Fill in each of the milestones you would like to reach on the way to your goal.

2
What are the blockers that might stop you from reaching these milestones?

3
How might you find a way over or through these blockers?
BLASTS & BRIDGES

STOP! Gain Consensus from the Breakout Room on a **BIG BOULDER** to tackle for **SOLUTIONS**

STOP! Pick ONE BOULDER before you go to next slide. Moderator please write down the BOULDER picked by the group!

Our Big BOULDER is _____! Braindump and Brainstorm any and all ways to BLAST (remove barrier) this Boulder! 3, 2, 1 - GO!

insurance

Insurance

Knowledge

Self pay thru genetic testing company.

Educating early intervention providers

Our Big BOULDER is _____! Braindump and Brainstorm any and all ways to BRIDGE (partnership to go around, over) this Boulder! 3, 2, 1 - GO!

Self-pay for lab tests

Now let's think about ALL the other Boulders that have been mentioned today... and let's BLAST and BRIDGE them! Type in the box BOULDER: SOLUTION

provider education

Mobile clinic

Communication

Educating families, EI providers and PCPS in insurance.

genetics navigator! :)

Increase awareness

Thanks for joining us!

We will now be exiting the breakout room and joining the main session after a 15 minute break. If you remain logged into zoom you will automatically be taken back to the main session 5 minutes before the next session ends. If you would like to finish a conversation over the break, feel free to hang out here for a few minutes to chat before the next session begins at 4pm CT.

But, if you want or need to take a break, please do so by turning your off your camera and mic.

Break Time 3:45-4:00 PM CT
