

Texas Health Institute

Job Description

TITLE: Projects Coordinator

REPORTS TO: Chief Operations Officer

BASIC FUNCTION: Responsible for project coordination for the Mountain States Regional Genetics Network (MSRGN)

Salary Range: \$22-24 per hour

Monday-Friday 20 to 30 hours per week

THI is an equal opportunity employer committed to inclusive hiring and dedicated to diversity in our work and staff. We do not discriminate in employment opportunities or practices based on actual or perceived race, color, religion, national origin, sex (including pregnancy, childbirth or related medical conditions), age, marital status, sexual orientation, gender identity or expression, veteran status, uniform service member status, disability, or any other characteristic protected by law. Women, people of color (including multilingual and multicultural individuals), LGBTQ+ persons, and people with disabilities are encouraged to apply.

MAJOR RESPONSIBILITIES/TASKS

MSRGN Project

- Schedule meetings (including state teams), webinars, conference calls, and distributes invites and reminders to the events
- Update MSRGN calendar with direction from management team, facilitate content management, assist with social media content, and upload on website and social media
- Organize and maintain updated MSRGN listservs (Airtable and Constant Contact), guided by input from project management team
- Track attendance, prepare meeting minutes, and send action items email summary (person responsible and due date) for management team calls
- Help compile, edit, and submit all grant-related reports, including progress and mid-year reports and metrics
- Help gather, track, and enter data for grant evaluation measures (both inside and outside of the Airtable database)
- Distribute, mail, and track printed resources

- Verify regional clinic and services information annually
- Coordinate webinars including scheduling, tracking of attendance, and entering in Airtable for evaluation purposes, facilitating speakers, coordinating continuing education (e.g., CME) documentation, and distributing surveys
- Maintain MSRGN documentation back up of documents including receipts, agendas, minutes, reports, HRSA documentation
- Participate in all MSRGN management team calls, state team calls, and HRSA calls, as needed
- Attend weekly meetings with project manager to discuss weekly schedules and tasks
- Other duties as requested.
