

Adding State Team Members

After you have spoken with someone who has interest* in possibly joining your state team please follow these steps...

*Interest in being on a state team DOES NOT automatically guarantee state team membership.

Let 4 People KNOW Jamie & Kristi & both Co-leads

1 You can send one email and copy all 4 individuals! Please share the person's name, background, biography, or resume and email address.

Have the Interested person fill out WELCOME form

2

Link here-

<https://airtable.com/shrRLPYmEvAdg4Xs3>

3 The interested person is invited to VISIT one meeting!

Once Jamie and the co-leads have responded favorably, the interested individual will be added to the next state team meeting to attend as a visitor.

After visiting, the TEAM and INDIVIDUAL will decide if they join

State Team membership is a joint decision by the individual who wants to join and the team members on the state team. If both parties are in agreement about membership then the individual becomes a new state team member, but not before steps 1-4 are completed.

4

Thank you for your recruitment efforts in growing your state teams. Thank you also for adhering to this process to make it a smooth one for the new individual, the state team and the MSRGN staff.
