October 11-12, 2023

8:30 a.m. – 2:30 p.m. PT // 9:30 a.m. – 3:30 p.m. MT

10:30 a.m. – 4:30 p.m. CT // 11:30 a.m. – 5:30 p.m. ET

Register: mountainstatesgenetics.org/events/g2023/

We're excited to announce that registration is now open for the 2023 MSRGN Genetics Summit! Please join us for this virtual summit to educate, engage, and connect families, providers, and public health professionals around contemporary topics in genetics.

During the summit, distinguished speakers will cover a variety of timely genetics topics including primary care, emotional perspectives, access to genetics care, karyotypes to knockouts, and more!

 PPrimary Care and Genetics

 Emotional Perspectives of Genetics

 Access to Genetics Care for Underserved Populations

 Karyotypes to Knockouts (Genetic Testing and Research)

Jointly Accredited Provider

In support of improving patient care, this activity has been planned and implemented by Mountain States Regional Genetics Network and Projects In Knowledge®.

Projects In Knowledge is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

This event has been submitted to the National Society of Genetic Counselors (NSGC) for approval of Category 1 CEUs. The American Board of Genetic Counseling (ABGC) accepts CEUs approved by NSGC for purposes of recertification. Approval for the requested .9 CEUs and 9 Contact Hours is currently pending.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

This event is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$600,000.00 with 0 percent financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.
